# Chapter 1 : Remote Control

There is remote control

In my hand there is something resemble remote control right now.

.... It probably was a remote control, but I didn't have any concrete evidence it was.

Because I didn't recognize this remote control, is it for TV? or is it for Air Conditioner? or is it for the audio? but it doesn't match any of it.

This [Something] that was similar with remote control have an awful simple design.

There is only two button on it, and up and down button.

the up button was triangle and the down button was reverse triangle. Because the up button was for [Increase] something, is the down button to [lowered] something?

There seems to be transmitter on the tip of the remote.

There is something like LCD placed between the transmitter and the button. However it was pitch black and nothing was reflected inside it.

".... What is this?"

Is what I, Etozawa Koutaro, muttered while staring at the remote control

in my hand. When did I hold this?

While wondering, I put it on the table near me for now.

Did somebody left it behind? I must return it if it was something important.

Anyways, I will think about it in my spare time.

I lay in hospital bed while thinking so.

Because there is no more be, I was allocated in this private room, without a doubt this place feel peaceful. I have finish reading all the manga and other thing that was given by visitor to me.

『Days ago, a meteorite that was suddenly fall from the sky hit the head of certain boy, there is no danger to his life, and he only have bump in his head, but just to be careful he was hospitalized.』

The crush was appear in the local newspaper about one week ago.

The boy that was hit by the meteorite, was me.

On my way to school while rubbing my sleepy eyes like usual, a meteorite the size of volleyball suddenly fell from the sky. and hit my head directly.

If you think it normally, it will be instant death for me. Not to mention an instant death, even the vicinity area will disappear because of shock wave, that will be great loss for the town where I live. Well, it should be so.

But, the mass of this meteorite was almost zero, its weight was like a sponge. There is no weight at all, this meteorite isn't a sponge is it?

It is light and soft, If it was sponge, I will be relieved even if it hit me!

But I am certain that this isn't a substance from earth.

That is why the result was the bump on my head.

I remember a brief pain when it hit my head directly, Because I lost my conscious after that, I didn't remember any uproar later on as well.

Several eyewitness, in other word other student that was going to the same school, one of those guys seem to call the ambulance, according to their testimony, the sponge was fallen from the sky for sure.

When I was carried to hospital (Even though it was just a bump), the police come to the scene for inspection (How will they write the report about the fallen meteorite, I wonder?), The meteorite that was come from the long journey from the space to earth, and bounced from my head and fell to the ground was brought to some university laboratory to be analyzed.

Yesterday, my younger sister that has come to visit me say, that the

material of meteorite was not from earth as expected, and surely it was from the space. I was told that was what was written on the newspaper.

"All people around the world was wondering how I am still alive after I was hit by meteorite"

"It's seems like Onii-chan tough head was useful"

Even though my younger sister was laughing, I was hit in the head and fainting, this isn't laughing matter.

I have several examination on hospital, the result was, it is the body of your average eleventh grader, with this result I was give approval seal and will be discharged tomorrow.

I didn't understand why they examined me everyday, but I was relieved when it is finally over.

I am healthy 11 grader boy. All I do this week was sleeping in the bed all the time.

Because the nurse was often doing the rounds, I wasn't able to masturbate. Because of that my healthy body become horny because I can't release even once in 1 week.

When I return to my house, The first thing I must do was masturbate....

While staring at the ceiling absentmindedly thinking about this thing,

there is sound of someone entering from the private room door.

It was the nurse, seems like she was doing her rounds.

"Kotaro-kun, Did your condition worsen~?"

"If my condition deteriorated, wouldn't they extend my stay..."

The one that just entered was the nurse, however, she feel strangely stand out, it feel like she was unsuitable to work in hospital.

When putting it in the word, she was a blond haired nurse with glasses.

It was the nurse onee-chan that i have become quite close from this past week. The name written in her name tag was (Hanayashiki Ema)

She has a beautiful golden wavy hair that was extended to her back. When I ask her, she said she didn't dye it but it is her original hair.

Her father was from Britain. So she was a half-half.

Even though I said a half, she doesn't feel like a foreigner. Instead she had lovely feature of Japanese.

I bet behind the cover of her black-rimmed glasses there is a beautiful face, but because it strangely suit her, it can't cover that much.

Even though she looks slim, but she has a large breast and hips, that plump bottom give an impression of amorous woman.

Hanayashiki-san hold out the thermometer while laughing lightly.

The only joy I can got from this tasteless and boring hospital life, was to be able to converse with a beautiful women like Hanayashiki-san.

While putting the thermometer in my armpit, Hanayashiki-san was standing beside my bed while writing something on the paper, while glancing at me.

with all this spare time I have in while being hospitalized the only comfort I have was Hanayashiki-san

When I ask about her age before, she got angry with me. she was probably around 20 years old. For high school student like me she give a feeling of 'Adult Women' nevertheless she was a beauty and sexy too.

She has outstanding figure even though she wear nurse uniform. Her gentle appearance that give you a soothing feeling, While desperately suppressing my smirk, I once again acted cool.

Her hair was silky, and it made me think about how smooth it would probably feel. Each time she moved, it would sway, and give off this really nice scent.

It smell was enough to covered the smell of medicine from this hospital. She was so beautiful that I want to give her a ecchi examination.

While looking at Hanayashiki-san plump buttock that was wrapped by her nurse uniform, the thermometer alarm sound out with *chichichi* informing the end of the measurement.

"Does it finish measuring? ....N~, alright it is a normal . Ok, looks like you are in good health!"

A good smell was floating from Hanyashiki-san side when she came near to get the thermometer, made me move around restlessly.

It was hard for me because I was unable to masturbate for 1 week.

I want to touch Hanayashiki-san breast.

"Tomorrow you will be discharged. It must be boring right to stay in hospital for 1 week?"

"Because there Hanayshi-san, I will be fine even if I will be hospitalized for my entire life."

"Ahahaha, you shouldn't tease your elder sister so much okay~"

She dodged my joke with a smile on her face, this mature onee-chan give me a wonderful feeling.

"Still, even though a meteorite hit your head, you only get off with a bump.... Did you have such a hard head?"

"Even if you said something like that. It is just ordinary head, look"

"N~ , let me see?" Hanayashiki-san touch my hand gently. In this one week, I was able to befriend Hanayashiki-san, or it can be seen that I become someone like a younger brother to her.

Hanayashiki-san stroke my head without any wariness.

At this moment Hanayashiki-san breast was positioned right in front of my eyes, and I was glaring at her breast that was wrapped by her nurse uniform.

Even though All I can see was her cloth, I am satisfied.

She smell good.

When I return, I will think about Hanayashiki-san in nurse uniform and....

"The Bump seems already gone. alright. When you return if you think your condition is worsening would you come back to this hospital again?"

"If I can meet Hanayashiki-san, I would come everyday!"

"For the child that come here without any business, this onee-chan will not meet you~"

"Then, outside the hospital?"

"Oya, if you was this energetic I think you will be alright."

Hanayashiki-san laugh while patting my head lightly. So, this is happiness.

Suddenly I remember the remote control from a short while ago.

I didn't recognize this remote control. So it was probably left behind by somebody

"Oh, right. There is something which looks like a remote control..."

When I try to pointed at the table beside my bed where I put the remote control before...

I notice that the remote control wasn't on the table

"Remote control? What remote control?"

"Eh? I already put it on the table but not it disappear... Uwa!"

When I pointed my finger toward the table, suddenly the remote control appear within my grasp, I raise my voice unintentional.

What is this? I am certain I have put it away. I mean I didn't feel like I am touching anything, how come it was in my hand now?

"Ah, er... This remote control..."

"Remote control? What remote?"

"Eh? this remote control..."

"N? there is nothing there though?"

.... What did she mean?

It was this, I give the remote control Hanayashiki-san, but, she didn't notice it at all. I become irritated and raise the remote control in front of her face, she give me a wondering face and said "what remote control?"

...Did she unable to see it?

Give me a break. I am certainly have the remote control in my hand, I even bring it in front of her face.

I become irritated and hand it over to Hanayashiki-san directly, when I try to push it to her... something unbelievable was shown.

"Here, it is this... Uwa!!"

"E!? What happen!?"

The remote control that I was going to force it into the Hanayashiki-san hand, goes through it.

The remote control passed through Hanayashiki-san hand like ghost and appear on the other side of her hand.

When the remote control pass through Hanayashiki-san hand, my hand that was holding it hit Hanayashiki-san hand.

Because the remote control doesn't come in contact with Hanayashiki-san hand, my hand that was holding it hit her hand. It feels like this remote control doesn't even exist at all.

I hurry up pulled my hand that was holding the remote control up. Even though it should pierced into other side of Hanayashiki-san hand, there doesn't seem a wound on Hanayashiki-san hand.

"Kotaro-kun? Are you alright? .... Should I get the doctor?"

"Ah, no. I am alright...."

Hanayashiki-san look at me anxiously. However, I wasn't able to believe what I am seeing so I grasp the remote control tightly inside my hand.

It was hard. I can feel it.

"Are you really alright? by any chance your head...."

"No... er... I am just practicing a comedy."

"Comedy? .... You really made me worry. Did you have teasing your elder sister?"

Hahaha... I laugh awkwardly, Hanayashiki-san backed away and said ' it can't be helped'.

Since I have previous record of being mischief. Hanayashiki-san give a wry smile and left the room while saying 'Well if you are this energetic, you will be able to discharged tomorrow.'

Now I was left alone inside of this hospital room.

But the room where I spend all my free time is gone now.

....

Wha what kind of a remote controller is this ?

## Chapter 2 : Hanayashiki Ema [1]

“...What kind of remote controller is this.”

When Hanayashiki-san left, I was left behind on this room alone, I muttered while looking at this remote controller on my hand.

Strange.

I was able to see and feel it.

However Hanayashiki-san wasn't able to see it, and she wasn't able to touch it too.

Rather, it slip through her.

“Eh?

there is nothing wrong with my head right?

By any chance, am I the only that can see this remote controller...”

I was convinced that no one else can see it beside me. I have a feeling that it was some kind of mental illness.

No way. Is this a serious illness? I am scared. In the first place I already put the remote controller at the table, but, suddenly it was in my hand. Could it be that this is not a real remote control, but a product of my delusion?

I unconsciously tremble because of fear.

If this was the product of my delusion then.... I try to throw the remote control to the floor. The remote control that fell into a linoleum floor.... but, I didn't hear the sound when it hit it.

"Hahaha, there isn't any sound...."

I continue to stare at the remote control that lay on the floor patiently. But it didn't disappear and still on the floor. I try to imagine holding the remote control in my hand.

"Uwa... I think this serious. I am in delusion."

When I think about it for a moment, the remote controller at the floor disappear and returned back to my hand before I realize it. How did it happen?

"It was confirmed that it was my delusional.... What should I do? Should I consult it with the doctor?"

The doctor might not be able to see the remote control in my hand, Here, look at it! Hora! Hora!

If I do it like that, they will think something wrong with my head.

Well, I think there is something wrong with my head now!

Is it because of the shock when my head get hit by that damned meteorite?

I look at the remote controller while I anxiously thinking about that. Then I notice there is a word that show up on LCD part of the remote controller which wasn't on display before.

.... what is this?

Hanayashiki Ema Love ... 10

There is only one line. the word was displayed with clumsy half-sized word like Old Pager(Even though I haven't seen one).

Hanayashiki Ema.... is this Hanayashiki-san? What is this Love thing?

There are 2 button on the remote controller. When I push the triangle of up button, the numerical value displayed in the LCD goes up by one. It become 'Love... 11'

It seems like the numerical value was changed when I push this button. when I press reverse triangle for down button, the numerical value displayed in the LCD goes down by one. It returned to 'Love....10'

.... What does it do?

When I try to push down button for trial, the numerical value was falling

to 0 and even become a minus.

Hanayashiki Ema Love... -100

When the numerical value reach -100 it can't go lesser than that. Is there any reason why it wasn't able to go past it? is it the same when I reverse it?

The numerical value raise steadily when I press up button passed 0 and keep increasing. When it reach 100, it stopped.

Hanayashiki Ema Love... 100

Was the [Love] on the LCD display the same as LOVE? This remote controler was able to increase the Love to 100 point and decrease it to -100 point. Hahaha, this is really the product of my delusion, it is ridiculous.

It is ridiculous.... but,

"Did i really want hanayashiki-san so bad that i ended up creating this remote controller out of my delusion...!?"

What the hell is this, my impression towards Hanayashiki-san was that she is a nice onee-chan, but, I want to bury my head into her plump buttock almost every day and also I want to put my Meat stick between her heavy big breast....

But, to think that I become crazy thinking about that and create this remote controller from my delusion...

As I thought, I should consult it with the doctor, that there is something wrong with my head.

I press nurse call button beside my bed. I wonder will they extended my stay here.... will I be able to return home? is there a Psychosomatic medicine department in this hospital?

When I am waiting while thinking about such thing, I look at the mysterious remote controller at my hand, when it haven't been 30 second after I push the nurse call button, the door was opened forcefully.

"Kotaro-kun, are you alright!? where did you feel painful!? Ah, I am sorry... I am just away for a while...."

It was Hanayashiki-san that has finished her rounds and left this room before that coming in. Her expression looks different when he open the door forcefully and rush toward my bed hurriedly.

Close! I mean too close!

Her eyes was damp because of tear, with anxious look on her face she held my hand while looking at my face, Too close! she had long eyelashes and her well shaped pupil was clouded with anxiety.

"Eh? Eh? Hanayashiki-san....? isn't it too close...?"

"Ah.... I am sorry, Kotaro-kun. It is because I am worried...."

Even though she said so, Hanayashiki-san didn't try to get away from me.

Hanayashiki-san was sticking to me while holding my hand, I wasn't able to follow the sudden change of this situation.

What happen? why does Hanayashiki-san suddenly behave like this?

"Kotaro-kun? Is there anyplace that feel painful? Are you okay?"

"No, I didn't feel pain anywhere. I am okay, I am okay...."

Because she was too close, Hanayashiki-san well shaped breast was pushed against my arm. Even though it was covered by the nurse uniform, I was able to feel how soft it is! When I return I should use this as my fap material.

Anyways, in this case, I will not be able to sleep at all! What on earth happen for Hanayashiki-san to become like this. In the first place, I only press the nurse button to consult about my remote controller delusion, Why am I feeling Hanayashiki-san's breast in my arm?', did I break into a bonus stage?

Hanayashiki-san still staring at me anxiously, when I explain to her there is nothing wrong with my body, she finally stop worrying. However, she

still clenching on my hand.

.... That is right! the remote controller. I press the nurse call to consult about the remote controller.

"Ah, Ano, Hanayashiki-san...."

".... I want you to call me Ema..."

"Yes?"

What did she said?

Why did she suddenly said that?

But, Hanayashiki-san didn't notice my bewilderment, Her finger was placed on my chest while she look at me with her upturned eyes, her expression looks like she want to flirt with me.

"Ah, I'm sorry? I know it was sudden... but, didn't you think when you call me using my last name a little bit cold?"

"Is that how you behave toward a stranger?"

"Ah... I see.. that's right. For Kotaro-kun I am just a stranger, I am just someone else.... gomen ne (I am sorry)? for me to say such a strange thing."

Hanayashiki-san suddenly become gloomy. it seems like her tear gonna burst out at any moment.

I didn't understand how it become like this, but, this beautiful onee-chan tear pack quiet a destructive power! I became panicked and try to flatter Hanayashiki Ema.

"Ema-san! That is right! I want to call Ema-san first name too!"

"Really? I'm happy!"

Even though Ema-san eyes is still damp, she hug me with \*Mugyu

I was covered by her breast! her breast was covering my face!!

I'm happy, I'm happy but I wasn't able to understand. I didn't how the situation become like this. I also didn't understand why Hanayashiki-san become so happy like this as well.

.... Is this because of the remote controller?

Is it because I use this remote controller to change [Hanayashiki Ema Love ... 100] that she fall in love with me? Something like this... I don't think it was possible. But, Ema-san doesn't seems like she is pulling a prank, I rolled my eyes in bewilderment.

Even though I am still confusing about this situation, Because of Ema-

san my tension start to raise up.

When she move, her body was rubbing mine that was still lying down on the bed, and she start to speak with glittering eyes.

"Ne ne, Kotaro-kun, Did you dislike an older women? or did you like it?"

"E? No, I don't really care...."

"I didn't have a boyfriend. If there is a boyfriend like Kotaro-kun,... it will be nice."

".... Yes?"

"Kotaro-kun is so cool. Un, .... very cool."

She whisper it while staring at my eyes.

This already exceed my limit as a virgin. Even though I am happy, but i need to ask her.

"Um.... Ema-san. What happen?"

"N~? What did you mean?"

"Did you feel unpleasant? because you seems to be different from your usual self."

"Is it that much different... Ne, can I kiss you?"

"Eh? What... Umm..."

Without letting me finished my word, Ema-san face suddenly come closer and our lips touched.

She smell good.

"N... Kotaro... Kun..."

"Ha... N... I like... Kotaro-kun..."

Her lips feel so soft. When she push me down to my bed, her long golden hair feel tickles on my cheek. I was confused why she suddenly kiss me.

My first kiss..

Even though It was important to me,... no, I don't think it is that important at all, rather, I want it to be taken by such a gentle Onee-chan. Like this my first kiss was stollod by Ema-san that I have yearned for..

"N... umm..."

While feeling a sweet sigh from Ema-san, when we kissed. I didn't have

a room to savor this moment, Because I wasn't able to fap for 1 week, my son start to react honestly.

Woah, it become fully erect right in front of Ema-san

Ema-san found out immediately.

"N.... Kotaro-kun... This is..."

While she blushed a little bit, Ema-san seems to be glad, she has bewitching smile while staring on the bulge inside my pajamas.

Because I wasn't able to masturbate, it stand proud like a mountain facing the sky like it was trying to rip my pajamas.

Ema-san slowly stretch out her hand, her white fingers was stroking the tip.

"Wow... Kotaro-kun thing... become like this."

"Ahhh... Ema-san If you touch it like that... Uoooo!"

"Even though I just touch it over your pajamas... Alright, Leave this to onee-san"

Ema-san was holding my son over my pajamas, while stroking it gently. I can feel the touch of this beautiful women on my thing.

Ema-san has take off my pajamas without stopping for a moment. When she lowered my boxer, my shameful erection was show before Ema-san face.

It feel refreshed when it feel outside air. When it was exposed to Ema-san face, my meat stick become more aroused.

"Uwa, ... Ema... san!?"

"It looks painful... Relax, because I will comfort it now... \*Hamu"

"Urgh!"

When Ema-san smooth hand hold my meat stick, she put it inside her mouth without hesitation.

The feel of her soft lips and her tongue sent a pleasant feeling all over my body.

This... Is this something that only can be seen in AV and porn book! a Fellatio! Woa... Inside Ema-san mouth is so warm....

"\*Hamu... N...."

Right in front of me, a blond black glasses nurse (Beautiful women) is holding my erection inside of her mouth.

The feeling of Ema-san tongue almost made waist jump unconsciously.

The face of Ema-san that was holding my meat stick in her mouth was so erotic. when her lips and tongue was dancing in my pole, unable to withstand her teasing anymore, the feeling of my ejaculation was drawing near.

Because of 1 week of prohibition, when she kiss my hard meat stick a while ago it already become unbearable.

"No... Good.. I gonna come out..."

"Umm? Just let it out, inside..."

Ema-san said it while stuffing her mouth with my meat stick. And then I explode inside Ema-san mouth while standing.

The sperm was shoot inside Ema-san mouth.

I was stunned when I ejaculate it inside a women mouth. I feel a strange excitement hit me.

"UNnn...!! NNnn... n..."

... She drink it. Hanayashi um... Ema-san is drinking my semen...

I ejaculate it on this women mouth, The feeling of conquest and excitement was filling up inside of me, while I continue to ejaculate a large quantity of my semen inside Ema-san mouth.

She swallowed my sperm, and she kiss and suck my meat stick till it was clean and she raise her head and give an innocent smile to me.

"N.. \*hah... Amazing... you release a lot of it..."

"Haa... Ha..."

All of this excitement from my ejaculation seems to made me have a nosebleed, I watch Ema-san face while breathing roughly. Looks like she was unable to drink all of it, there is a line of semen that escape from her lips.

I made this onee-san drink my semen.

"Ema-san... Ano..."

I didn't understand why she do this, that is why I want to ask Ema-san 'Why did you do this?' and then a alarm sound with *be-beep* from Ema-san pocket.

"Ah, I'm sorry... It seems like I was being called.."

While frowning a little bit to the bell, Ema-san stand up like how she always do. I feel like I have return to my normal daily like when I hear the

bell chime, I rushed to put back my boxer and pajamas in hurry.

Without any time to ask why she do this, Ema-san turn her body and said 'Kotaro-kun, let's do it again, tonight...' while smiling softly.

"Ah, yes. tonight... Tonight!?"

"Fufu... Bye-bye, see you later..."

"Why tonight... Ah, Ema-san! It is dripping! your mouth!"

When Ema-san want to leave while feeling reluctant, when I can her in hurry, she said 'Ah...ehehe, it is dripping out...' she move her finger to her mouth while blushing.

And wipe the sperm that was dripping from her mouth with her finger, she lick it clean with the tip of her tongue and show it to me.

Looking at this scene, It unintentionally start to made me excited again.

Ema-san give me a bewitching smile again and left the room.

## Chapter 3 : Hanayashiki Ema [2]

At night.

frankly, I am still half-in doubt. After all, the thing that we did in the afternoon feels like a dream.

“Did Ema-san turn that way because of this remote controller..?”

The word that was displayed in the LCD [Hanayashiki Ema Love... 100]. In the end, I didn't talk about this remote controller to the doctor. This remote controller that I thought was a product of my delusion, wasn't an illusion, but a real thing.

Ema-san also come when it was time for evening patrols, Her attitude towards me feel like that of the lover. Usually, when she has finished measuring my temperature she would then move to her next job immediately, but today she was beside me asking if I was in pain or trying to get close to me.

Even I understand that Ema-san was madly in love with me..

If that is so, With this remote controller, I can change Ema-san affection degree towards me, is that why she can give me a fellatio and swallowed my semen calmly?

I was playing with the numerical value button, I could increase or decrease the value from -100 to 100. When I remember that on the first

time the numerical was 10, does that mean if it was 0 that means she was indifferent with me? If it was 10 does that mean we are acquaintance?

And when it reach 100 does it mean she was madly in love with me?

Then what if it gone to minus? if it was -100 will be that she hate me to the point of wanting to kill me?

"If I push the nurse call when it is on -100, I wonder what will happen...?"

Will she see me as I am her parent arch-enemy? no, I think she would stab me instead. While thinking like this, I become afraid of this remote controller...

The remote controller that was able to change other people feeling. Did I just got such a wonderful ability?

However to change people's feelings carelessly...

"What a convenience thing!!"

Dangerous, this thing is really dangerous. If you have this wonderful tools what will you do? If I was a man, isn't this the kind of situation i always dream off? I would be able to choose any kind of beautiful women or cute girl. UWO!!

In the middle of the night when my tension is raising on their own, the

door to this was opened slowly. slowly, a beautiful women with a fascinating golden hair come from the corridor entered this room without making any noise.

It was Ema-san.

"Kotaro-kun... did you already asleep?

"Ema-san...? No, I haven't sleep yet. I wasn't able to sleep at all!"

How can I sleep when I know Ema-san will come here tonight!

I mean, She really come! Ema-san is coming here!

She close the door slowly, and she approach my bed restlessly.

And like she can't bear it any longer she embrace me on my bed.

"Kotaro-kun, I want to see you...!"

"Ema-san... Fuo! to hug me so suddenly, it was a foul play!"

When I try to get up to receive Ema-san, she give me a passionate hug and push me down to the bed. She smell good, and I can feel something soft pushed against me...

Ema-san still wearing her nurse uniform. She said her shift should have

ended sometime ago. but because she didn't want to waste any precious time to meet me, she didn't change her uniform.

While we were embracing each other, Ema-san couldn't stand it anymore and gave me a rain of kisses.

I give a counter-attack and before long this peaceful room was filled with the sound of kiss. Before long, Ema-san with flushed cheek look up and stare at me.

"Kotaro-kun, I am sorry for suddenly do this kind of thing.... But even I didn't understand why I am so deeply in love with you, this is the first time..."

"Ema-san... Um, How long have you been in love with me?"

I will try to listen to the explanation first.

If it was one week before, when Ema-san was in charge of me as my nurse, but when I think about it she doesn't show any kind of behavior like this before I get my hand on this remote controller today.

When I hear her answer, as expected it started from today daytime. In other word, all of this start when I increase Ema-san Love to 100.

"It is so mysterious... Because when I think about Kotaro-kun it become unbearable painful... I, don't think I can live without Kotaro-kun anymore..."

Incredible. This remote controller is incredible.

Did I hear it correctly? she said 'I can't live without Kotaro-kun anymore'. Moreover Ema-san cry a little bit.

Ema-san who was pushing me down to the bed, her eyes was wet, and she was clinging to me.

"Nee. Kotaro-kun, do you... Love me?"

I who has been yearning for Ema-san decided to tease her a little bit.

"There is not even a week since we meet, and I think Ema-san like my mother."

"Did you like a younger woman!? Did you dislike older women? did you think such a women was troublesome!?"

"No, I didn't said it like that... please calm down for a moment, okay?"

"Okeyyy... Ne, It doesn't matter even though I am number one... Because I can't live anymore if I was hated by Kotaro-kun"

"Ema-san, please calm down. Because I will never hate you."

"Please don't hate me...."

This beautiful onee-san is clinging on me, Even though I only teased her for fun, but Ema-san become like this and in the end she burst out crying. ....What? Did she really that madly in love with me?

Is this the power of 100 point love...

Ema-san was clinging on me and crying immediately because she didn't want to be hated by me.

"Even though I already 24 years old virgin, did you think it is troublesome...? Then... It was fine even if I am just a convenient women for Kotaro-kun... As long as... I can stay beside Kotaro-kun... \*Hiks"

"24 years old!? I though you are only 20...."

She is still a virgin!?

"Are you really still a virgin? Even though you are so skillful with your mouth."

"Urgh... It was because... I practice it on my home."

"At your house!?"

"Yes... Because I hear men would love it.... When it vibrate...."

"Vibrate!?"

"Fuee.... Well... I was interest about it too... but man that was scary..."

I didn't understand what it is, but the shocking truth keep coming out one after the other.

She was scared of man? When I asked, she said that she doesn't know it that well but if it's a boy then it's alright. My first impression of this wonderful Onee-san start to crumble one by one.

"So it was like that.... Even though I am a Onee-san I didn't have any experience."

Saying so, Ema-san get up from the bed, her shoulder was trembling a little bit.

"If Kotaro-kun prefer someone like that then... Even though it was unpleasant, it is not to the point I hate it like I will die. I will throw away my virginity to other person first...."

"Wait, Wait, Wait! A virgin is Ok! I love a virgin!"

".... Really? Even though I am a 24 years old virgin is it still okay?"

"I love 24 years old virgin Onee-san! Therefore, please calm down..."

Yoshi Yoshi, when I held Ema-san shoulder, I made her leaned on me and said

"Hora, I am also a virgin. didn't you think it is also good?"

I didn't know if saying something like this was okay.

But, when Ema-san hear it, She said [... what, his First time] and her shoulder start to tremble a little bit.

"Ema-san? Woah! ....Um, why did you push me down again?"

"Kotaro-kun first time... No way, I can't stand it anymore..."

"... Ema-san? why did you have such a scary eye?"

"Alright, please entrust it to this Onee-san..."

"Even though you are also a virgin?"

"! ...Y-, You shouldn't say thatt..."

When I intentionally tease Ema-san eyes start to go teary again. I thought she was a beautiful Onee-san type, but now I think she is more suited to be cute Onee-san type. Because we are glued to each other for a long time, my son start to wake up.

## Chapter 4 : Yamashiki Ema [3]

For now, I want to continue from what we left behind at the daytime.

I place my hand at Ema-san ass that was on top of me and squeeze it strongly. Ema-san body start to tremble while looking at me with her damp eyes.

Furthermore, I stretch my hand to her thigh and slowly move inside her nurse uniform.

When I rubbed her ass over her thigh, I can feel the softness of her skin being transmitted back to me.

"Ya, yan... Kotaro-kun.. My ass.."

"Should I not touch it?"

"No.. More... Please touch it more..."

When I rub it, Ema-san start to twist her body above me. I stretch out my hand further inside her thigh and rub her ass over her panty.

"Fuaa!!"

"Only Ema-san that was feeling good, it is so unfair."

"Ah, I, I am sorry... But, Kotaro-kun was... Hyaa...!"

When I extend my finger to rub Ema-san secret place over her panty, she give an interesting reaction.

When I touch Ema-san private part, I can feel it already become damp. Even though I touch it over her panty, I understand that she already become wet.

The moment I notice this, I wasn't able to bear it any longer and rolled Ema-san down to the bed.

"Hya! Kotaro-kun... Wha, What are you doing?"

When I push Ema-san down, her nurse uniform skirt was rolled up from her thigh to the middle of her waist.

Staring at her snow white panty in a room only lit by moonlight, I was able to see the stain on it.

"Ema-san panty..."

"It, it so embarrassing.... Kotaro-kun."

While pressing down Ema-san that was shying away, I play with her private part over her panty. When I touch it softly, the stain was start to spread. The scene of her snow white ass that was illuminated by a little bit of moonlight made me dazzled. So Erotic...

Furthermore, several buttons on the front of her nurse uniform was unbuttoned, I can see her bra was sliding down her bare shoulder.

With *Byoyon*, Ema-san bare chest was showed in front of my eyes.

"Breast.... It isn't an AV or a pornbook, it is a real breast...."

Ema-san has a soft white breast with pretty pink nipple on the tip of it.

I hold Ema-san breast with my trembling hand. The feel of this incredible soft sensation was being transmitted from my hand.

Wonderful, the feeling of real breast feel so wonderful.

It isn't a 2D, it is a 3D! it isn't a thin plate! it is a 3D!

"Breast... Breast!!"

"Hya!!... ya, Kotaro-kun, is toying with my breast..."

I was engrossed in squeezing Ema-san breast. While I lick and suck her nipple, a soft sigh escape from Ema-san mouth.

I can't endure it anymore.... Tonight I will not stop only on the breast. As long as Ema-san permit it, I will explore every nook and corners of her body.

I separate my mouth that was sucking her nipple and my gaze slowly moving down her body.

Her appetizing thigh was still wrapped tightly by her stained panty.

"... Ema-san private part, I want to see it."

"Eh, Kotaro-kun...?"

"I want to see, I want to see it. Please show it to me."

I ask it, while rubbing her thigh.

Ema-san while saying [mou...], however, as expected she bashfully moved her waist while in the state of arousal.

"... Alright, Even though it was embarrassing, if it was for Kotaro-kun I will shown it."

When I release my hold, Ema-san cheerfully take off her skirt on the bed, moreover the panty was also get taken off. Even though she said she was embarrassed, she seems to be in high spirit.

I was able to see the faint color of her public hand between her crotch. She her panty pass through her white thigh and is taken off through her ankle.

When Ema-san hips fallen on top of the bed she sit down and spread her leg slowly.

My breath become rougher, and when I wasn't able to control my excitement anymore, I brought my face right in front of Ema-san private place.

While she spread her leg into M shaped, Ema-san try to covered her private part with her hand, but I urge her to move her hand away

"N..., Kotaro-kun... Look... This is girl... important place... it, it doesn't looks strange right?"

Her private place was right in front of my face. the color of her slightly thick pubic hair is the same as the color of her hair. I can tell that she was aroused looking at how much love juice that is pouring out from her love jar

I can't hide my excitement because it is the first time I am looking at women private part directly.

I have seen the images of uncensored women private part on the net before. but, it can't be compared with how beautiful Ema-san private part is.

The center of vertical slit was pink colored.

"S, spread it, and show it to me..."

"Mou... Kotaro-kun... N..."

Ema-san spread her slit with her finger. with \*kuupa, her slit was widened, and her embarrassed cherry blossom was showed to me.

"N... here... Is a women hole... This is where a baby come out..."

Ema-san explained while showing her hole to me. The hole was dripping wet, it twitching slightly as if it try to tempt me.

"..... I can see the hymen. So Ema-san really is a virgin."

"Hya! yaa... I'm so embarrassed..."

Even though I am a virgin, but I can easily recognize her hymen.

Ema-san was so embarrassed while doing this, but she didn't stop spreading her private part.

Rather, I can see that more and more of her love juice pouring out of her love jar.

Did she get excited while being seen.

"Th, this.... place was urethra, this is where a pee come out... and the

one on top of it is a clitor.. HyAAAAA!!!"

"\*Slurp \*slurp"

While she was in the middle of her explanation, I who wasn't able to stand it anymore was touching Ema-san love jar. How can I endure while this delicious love jar was right in front of me.

"\*slurp \*Slurp"

"Ko, Kotaro-kun...! No... for you to lick it.... Hyuuu..."

"\*slurp \*Slurp"

I lick and suck her hole and urethra with my tongue, I didn't forget to torment her clitoris with the tip of my tongue. When I check Ema-san reaction that was trying to suppress her voice down, it seems like she like it when I torment her clitoris.

I was absorbed licking and kissing her clitoris. Ema-san private place already covered with my saliva and her love juice.

"....I can't stand it anymore, can I put it in?"

"Fuwa.... Kotaro-kun...."

My meat stick already hard, I cast my pajamas off and shortly I become

stark-naked.

"N... here? Areee? It won't enter..."

When I try to put my meat stick inside Ema-san private part that was covered in saliva and her love juice. It slipped and I wasn't able to enter it easily.

I wasn't able to put it inside even when I force it. When she see my impatience face Ema-san put her hand at my meat stick and guide it to the right place.

I was able to push it inside and her hole swallowed half of my meat stick. The pleasure was running through my body.

"Here I go..?"

"Un... Kotaro-kun... ...NN!!"

I put more power to insert my meat stick inside Ema-san love jar. I can feel my meat stick swallowed by her slippery love jar. In the middle of pushing it inside her, I remember, didn't she said she was a virgin?

"Nn..! ha... Kotaro-kun.. is inside me..."

"Kh...u... Dangerous, It feel too good."

Even though I just put it in, I feel like I will ejaculate soon. Before long my meat stick was fully buried inside her.

Haa...! I take a big breath. The feel of her tight love jar was so soft. Ema-san crotch is being united with my groin. I feel like I will ejaculate if I move even for a little bit.

When I look up, Ema-san was panting and there is tears in her eyes. Is it because of the pain when I deflowered her?

After letting her relaxed for a little bit, I start to move, From Ema-san mouth [Nn... Ah...] was leaked out

Looking at this scene, it feels like I was rapping her. Thinking so, my meat stick grow harder.

The feeling of her love jar was unbearable. While feeling across the waist was Ema-san soft ass, I moved little by little.

The movement was awkward but before long Ema-san voice leaked out and it gradually became louder.

"Kotaro-kun... Does it feel good?"

"Un, It feel so good, Ema-san love jar is feel so good."

"I'm glad..."

She seems to be enduring the pain. But, I didn't stop my awkward movement.

My Meat stick was completely swallowed by Ema-san soft love jar. Was sex always feels this good?

"Nn..aa... Kotaro-kun... Kotaro-kun..."

"Ema-san Love jar, feels so great..."

It seems like I have gone crazy because of excitement. I stop my movement for a little bit to take off Ema-san nurse uniform before I continue to ravish Ema-san body.

Under the moonlight, Ema-san naked body was so beautiful that it made me dizzy.

I grasp Ema-san breast and take her nipple while continue to pump into her. When I suck her nipple, Ema-san sweet voice was leaked out.

How come the body of women can be this soft. Her breast, Love jar, all of it was soft. All of it was so addicting.

I want to enjoy Ema-san body forever, I intend to hold on, but the feeling of my meat stick grinding against Ema-san love jar was too much that I don't think I could hold it in any longer.

"Nnn... Haa. Kotaro-kun... It's feel so good... Aah..."

"I, I gonna cum..."

"A... nn!"

I separate my face from her breast, I trust my hips more intensely toward Ema-san.

Ema-san private part was swallowing my meat stick while making a dirty sounds.

The sense of ejaculation keep increasing. I am already at my limit.

Ah, No good... Should I take it out... from inside her?

With only a faint reasoning that remain from all this pleasure, I pull out from Ema-san love jar. Ema-san let out [Hyun!!] sound

And almost simultaneously. I reach my ejaculation.

My sperm gushed out from the tip of my meat stick.

And pour it on Ema-san body. I covered Ema-san body, white breast and face as if I am marking her as mine.

"Ah... Hua... Kotaro-kun... so hot..."

The voice of Ema-san was resounded in this hospital room. The figure of Ema-san that was stained by my semen. Filled my chest with a sense of conquest and accomplishment.

While I breath out roughly, I was being attacked by the sense of pleasure and emptiness from my first sex.

Ema-san seems to be embarrassed by the semen that was covering all over her body. However, maybe it was because of love she extended her finger and touch to check it out.

Staring at this obscene scene, Even though I just ejaculate not too long ago, my meat stick already become half erect.

"Ema-san..."

When I called her out and stretched my hand to Ema-san body slowly, Ema-san opened her hand happily.

Before long, without saying anything, our body start to become one again.

After that, I keep ravishing Ema-san body till tomorrow morning.

## Chapter 5 : Etozawa Kaoru

When morning comes, Ema-san leave the hospital room with a apologize face.

“This is my email address and phone number for my cell phone... Will you contact me? I will sent an email to you too.”

I receive Ema-san Contact information.

After that session, I thoroughly enjoy Ema-san body, I made her drink, rubbed and poured all my semen that I had saved for a week into Ema-san. After we finish with missionary position we change into women in the top and other position as well, a naughty Onee-san is really the best! I said the last one to Ema-san that was gasping for breath.

I look outside the window that has become brighten now.

Today was the day when I will be discharged.

I finally arrive at my own room after a week.

When I arrive at my home after picked up by my family with car, I rush back into my room.

In an instant, I look at the remote controller that was grasped in my right hand. When I think 'Disappear' in my mind, It disappear immediately from my right hand.

This time when I think 'Appear', I can feel it in my right hand. The remote controller was appear from the place that was emptied before.

When I think 'Move to left hand', the remote controller disappear from my right hand, and appear in my left hand instead.

I have some understanding how to handle this remote controller.

Still, it seems like I have obtained something unexpected.

It seems like only I can seen it. Even when I shown the remote controller to Sayaka who come to pick me up and my younger sister that has returned from school, they wasn't able to see it at all.

I didn't only shown it to them, when I try to make them touch it, it pass through their body as I expected it.

After some testing I was able to concluded.

When you let anyone touch the remote (Because it will pass through their body, I don't if the word 'touch' is the right one...) Then the partner will become the target of this remote controller.

The LCD that was only displaying [Hanayashiki Ema] for sometime,

When I make other people touch it, the display changed.

Etozawa Sayaka Love... 71

Etozawa Kaoru Love... 57

Sayaka, was my step mother.

Kaoru was my younger sister.

Looking at the numerical value displayed by the remote controller, wow, the love point of Sayaka was high! I think it was possible to reach this high because it was the love for family member.

However, my younger sister was only 57 point. I didn't know if it is high or low.

Yesterday, when I raise Ema-san affection to 100, her love love aura was revealed. That is at 100 point. Before I change it with this remote controller, the numerical value when it was still a nurse and her patient was only 10 point. But, Kaoru numerical value was in between that two point.

Somehow I was able to understand it.

When I thought about such thing my cellphone informed me the I have receive an e-mail.

When I look who is it, It was from Ema-san. To summarized the email contain was [I'm so lonely when I can't meet you]. Isn't it too fast? we just parted this morning, not even half a day has passed since then.

I intend to replied later, so I throw my cellphone on the bed.

I heard someone was calling me from downstairs. It was sayaka-san.

When I come downstairs, what await me was a beautiful women with an apron.

She tied her hair behind her, she give a gentle atmosphere that was full of smile, it is motherhood beauty.

"What is it? Sayaka-san."

"Kotaro-kun. have you greet your father yet?"

"Ah, I haven't yet. I will do it now."

After I say so, I go to the room with Buddhist altar, and put my hands together.

When I was small, my father died.

Just after he remarried with the women that I called mother, Sayaka-san...

In other word, Sayaka-san was my step mother. And Kaoru, was a child from Sayaka-san former marriage. In other word, she was my step-sister.

After I put my hand together, I look at my father picture that doesn't aged even after all this time has passed, and report I have been discharged. Incidentally I also reported that I have lost my virginity

Father.... I have graduate from my virginity. My partner was nurse Onee-san. It was the best.

For some reason I though my father photograph, he said [Keep it up!] while giving me a thumb up.

Based on the stories, it seems like he was infamous playboy, because the senior citizens in the neighborhood had tell me various things with an introduction saying "That pervert brat~", so I know.

As for Sayaka-san, it seems like she had various rival before she remarried my father. However when she was able to won all the battle and married my father, then....

Ma, from the stories the old people in the neighborhood, when my father was alive it seems like he have done a lot of mischief and affair. that only god know how many it is.

When I tell Sayaka-san that [I have reported to father], she smile joyfully.

She give a gentle atmosphere around her, she was still in her twenties, a proud and beautiful step-mother.

I think, Sayaka-san was 28 years old this year.

そう、沙夜夏さんは28歳である。

It seems like she was pregnant with Kaoru, when she was 13. It is so dangerous, when she was 13 that means she was a primary school not too long ago.

Her partner seems to be her teacher. However, that is still a crime. I didn't know whatever this is a heaven punishment or not, but, when they pursue the teacher, he seems to have died from illness.

And while being supported by the people around her, she raise up Kaoru, When Sayaka san remarried my father, she was still 20 years old, and Kaoru at that time was still 7 years old.

Not long after, my father died a premature death. This happen during

their honeymoon.

I didn't know what my father job is, Even though I am his son I didn't know it either. But, he had left enough inheritance for the three of us to be able to eat and live even though we didn't work for another 20 years.

Then for 8 years since then, she have raising Kaoru and me who didn't have any blood relationship with her, like a family.

That is why I am proud of Sayaka-san. She was a young and beautiful step-mother.

I stare at the back figure of Sayaka-san that was standing in the kitchen.

Looking at Sayaka-san white nape, her big swelling that seems to pushed up her blouse and her sexy waist preparing dinner with smile and laugh like it was fun.

.... I silently return to my room.

When I returned to my room, my cellphone was vibrating. It is an e-mail.

It was from Ema-san. To summarize [Why wouldn't you returned my e-mail? Did you come to hate me now?"]

.... It seems like it has become something troublesome.

I replied to Ema-san [It is too bothersome], it is not even the next day. Isn't it troublesome.

I mean, is Ema-san my girlfriend now? Even though Ema-san body was the best, However, with this remote controller, I will be able to sleep with any girl I want. Ema-san body was good, but I want to taste various women body.

I didn't like being restricted too much, After I sent the mail, The reply come with [I'm sorry, I'm sorry, I didn't mean to restraint you]

.... There is various problem with 100 Love point

However, I want to have various experiment with it.

After giving a suitable reply to Ema-san, I go downstairs again.

There is a beautiful girl dressed in short pant in living room, exposing her healthy thigh, while lying down eating a potato chips.

She has a medium raven-black hair. she give off an whimsical cat like atmosphere.

She is Kaoru, my step-sister.

"You will gain weight before you eat dinner"

"Ah, It is prohibited to say such thing! Mou, after returning to home, Onii-chan already start to preaching? It is much better when you are hospitalized, it was quiet."

Kaoru turns to me while pouting.

Hearing my younger sister who was on her rebellious age speak with her sharp tongue.

More like she was on her rebellious age only to me. Recently she always said [Onii-chan was too noisy]

However, I take pride as a brother that spoiled her younger sister.

Her short cut hair was shaking, when she complaint, even though she was annoying, she was considerable cute.

Because Sayaka-san still young, when she went out together with Kaoru, they often being mistaken and asked [Are you a sisters?], and then Sayaka-san will said she is her younger sister joyfully.

Even though she was left behind by my deceased playboy father, her beautiful figure didn't decline at all.

My step-sister who has inherited the trait from her mother, is still young now, but I am sure in the future she will become a incredibly beautiful women. Is what I feel.

.... Should I test it?

I take out my remote controller. Because I have touch her with it before, it was displayed by remote controller [Etozawa Kaoru Love....57]

I press the button to raise the numerical value. Because 100 point was somewhat scary, I settle it around 80.

Etozawa Kaoru Love... 80

Then, right in front of my eyes, Kaoru state suddenly change.

She who was preaching her older brother lack delicacy and saying a forbidden word that about gained weight to the women, suddenly become silent.

"Wh, what's wrong Kaoru. Why did you suddenly become silent..."

"Ah, no, that is..."

For someone reason Kaoru become bashful. She look at my face and muttered in low voice.

"Was Onii-chan looks this cool before...?"

"N? What is it?"

"! Nothing!"

I Ask 'What? What is it?' While sitting down at the sofa that next to where Kaoru sit. I ask 'What is it? Did you have something to say to Onii-chan?'

Then Kaoru said [Don't get carried away! I didn't said anything to Onii-chan!] and she said [iitsu] while giving me a cat like punch.

"I hear something like I am cool or something like that. What is it? What is it?"

"Mou... So you already heard about it...."

"Fufufu, Aren't you happy to have such cool Onii-chan? my younger sister?"

"It is no good to get carried away immediately. ... But, because it was Onii-chan I will permit it from now on. It is good that you are full of spirit after getting discharged from hospital."

Saying so, Kaoru pat my shoulder. What is this, such obedient younger sister after a long absence.

This remote controller effect was so amazing. If 80 point already like this, what will happen when I raise it to 100 point?

.... Should I raise it up?

I operate the remote controller and raise the numerical value for the love.

Etozawa Kaoru Love .... 100

Then, Kaoru snuggle next to me and press her head and rub it to me.

"... What wrong? My younger sister."

"Nn.... when I do something like this I feel like I can relaxed... Ne, Onii-chan, can you pat my head like in the past?"

"Of course... *pat pat*"

"Nfufu... I feel so happy."

"I see, *pat pat*"

"Nfufu... Today Onii-chan was somewhat gentle."

I love onii-chan. Kaoru said this while behave like spoiled child.

"It seems like Onii-chan after leaving the hospital you become

somewhat gentle. Ah, did you finally understood the value of this cute younger sister after being away for 1 week?"

As the older brother having such pretty younger sister was a happiness, while saying this, the younger sister stick to me like a purring cat.

It's not me who have changed, but, your love value has changed.

I can't said that though.

However, it has been long time since I pat my cute younger sister that has become obedient. It feels like I have returned to the old days. When my younger sister keep calling me Onii-chan, Onii-chan'.

I keep patting my younger sister head until Sayaka-san entered the living room while saying [It will be dinner soon.]

'Oh my, looks how close you are' my step mother said while narrowing her eyes and smile. Hearing this word, Kaoru said 'That is right, I become close to Onii-chan since he returned.'

Even though I use the remote controller out of curiosity, but the result is not that bad.

At night, when I relaxed in my room after eating dinner, my younger sister come over. With her homework and collection of problem in her hand.

"Onii-chan, can you help me with some problem with my homework...?"

"N? Ah, okay."

A younger sister that love her older brother so much, It seems like she become bro-con.

My younger sister have excellent grade unlike her older brother. That is why there is no need for her to ask me to help her study, I think she only want an excuse being together with me. Shit, this cute fellow.

The older brother agreeing to look at his younger sister homework. Because he think it was just a freshman problem and try to show his dignity as a older brother.

10 minutes later.

"I'm sorry... I didn't understand it..."

"Onii-chan, you do it this way... Hey, pull yourself together. Because there is only a little bit more!"

Eh!? How can I be this stupid!

An eleventh grader was taking a lesson from her younger sister that was a High Schooler freshman. Moreover it was a freshman problem.

"Onii-chan.... You will be taking examination next year right? Is it okay? I can't help to be worried about you"

"I'm ashamed..."

We are sitting on the table inside my room to study, I have been humiliated myself when I said I will help Kaoru to study. Now it was me who was getting helped with my study.

"Ha.. I'm tired. Let take a little bit rest, okay?"

"Already! only 10 minutes have passed!"

"I can't go on anymore... I'm sleepy..."

I sit on my bed and stretched my body. My mind was filled with sense of defeat.

When Kaoru look at me, looking at me who wasn't able to get up anymore she only can said 'Mou...', as if she thought about something she stand up.

For some reason she put her hand side by side.

"Onii-chan is lazy, Take this!"

"Uwa, Kaoru! Don't tickle me. Uhaha, It tickles!"

"Ahaha! Hora Hora!, you should go back to study, or I will tickle you more"

Kaoru stand up on my bed and start to tickles me. she solely aim on my side.

In order to escape, I try to change my posture, Kaoru, embrace me to tickle the place where I was weak at.

Kaoru was wearing a short pant and T-shirt on this time of summer. Although she was young, I was able to feel something soft and smooth when she touch me.

Since I was able to smell a pleasant smell. I thought she just got out of

bath.

Her two soft bulging that was pressed over her T-shirt and her smooth and soft thigh.

Every Time I change the posture, Because she was clinging at me, so her cloth start to rolled up and exposed her navel.

When we are clinged together like this, a strange mood start to attack me gradually.

"St, Kaoru.... Stop. Hahahaha, It is dangerous..."

"Give up already? Then, return to your study quietly... eh. ...eh? this..."

Kaoru who was straddled over me, and is tickling my underarm finally notice something.

The jersey which I wear as a substitute for Pajamas. Under it, my son already become hard and press it upward toward Kaoru.

Kaoru was straddling on my waist. I am sure Kaoru already noticed my son that was pressing between her soft ass.

"On, Onii-chan...? This.."

"Ah... I'm sorry. It is..."

Before I finish saying it. Kaoru start to back away.

I said [ahaha...] with a wry smile looking troubled, and then I scratch my cheek while looking away from her.

"Ah, I, I'm sorry Onii-chan. That's right, Onii-chan is a man too.."

"Wait. I think you have misunderstood something, so wait a moment. I didn't intent to do anything. It just happen on it's own."

"Un, It seems to be like that, Because I have learn it in my class, so I know about it... However... A, ahaha... I think I should go back to my room...."

"It was different!? I am not a pervert that was interested in my younger sister!?"

"Then, then, see you later. Good night, Onii-chan."

Just like that, she tidy up the collection of problems on the table and hurriedly left my room without looking at my eyes.

It's hopeless, She completely looking at me like I am a pervert.

But I can't help it, recently Kaoru has suddenly growth. As for her swelling... Un, it was soft.

However, Even though her Love already at 100 point, as expected it was only a love for her brother.

But, for the older brother to get excited over his younger sister body, if looking it at sense of moral, I wouldn't be here as well. No, Am I get excited? Isn't it a physiology phenomenon?

While thinking so, Tomorrow, what kind of face should I made when I

meet her.... But, it can't be helped, when I remember the soft feeling for her swelling, I shoot twice before I can sleep. My erection was harder than usual.

## Chapter 6 : Mizuhara Sakuya ①

"Good, Good morning...., Onii-chan"

"Go, Good morning, Kaoru."

When it was morning, Kaoru give me a awkward greeting, after that I went to school after 1 week of absent.

Kaoru, said she was having her periods

Without looking at Kaoru eyes, I greet her with blushing face.

I want to solve our misunderstanding, But, before I can said anything, she left house hurriedly so I can't explain it to her.

When I am walking to the school absentmindedly while thinking about such thing. I arrive at the spot where I was hit by the meteor. That's right, this is the place where I was hit by meteor.

And....

I look at the remote controller at my right hand.

This is the place where this mysterious object manifested.

I didn't know what is the relation between the remote controller and the meteor, However I don't think that it was unrelated at all. Right now, what is the most important thing was what is the meaning of this ability?

But, for today, I am looking forward to arrive at school. This ability to change people's affection toward me. Thinking about this ability, a figure of the girl appear on mind unconsciously.

When I enter my classroom. The friends who recognize me ask me curiously saying [Are you feeling well already?] and [Even though the meteor hit your head you are safe?].

While replaying their question, I look at the figure of the girl from the corner of my eyes.

Haaa... Mizuhara-san was cute as always.

When she was talking with her friends, sometime she would giggle happily.

Her long raven-black hair that reach her back. For a moment, she seems like a fairy that escape from a painting. Even other beautiful girls in other class was envying her beauty. In this school she was nominated as number 1 girl the guys want as their girlfriend.

The number of boy that want to confessed to her was innumerable, but, when they see her pure girl like atmosphere. Make them think [You shouldn't tainted this beautiful girl], so they give up their confession.

In fact I heard all of this from my friends.

I am wondering whatever that was true, but, even though she was really popular, I never heard she has a boyfriend or so. Apparently this beautiful girl have such an impregnable wall.

Mizuhara Sakuya.

While taking a note, I frequently look at her direction and said [She is beautiful isn't it...][Yes, she is...] it was the conversation between me and my friends.

But, now I have a power. A power that was too dangerous for humankind.

The thing is, I need to let the remote controller touch the target to be able to use it on the target.

For now, I need to think how to make her touch it.

Should I said [Mizuhara-san there is trash in your shoulder. Let me help you take it.]

But, when I think about it, shouldn't I just throw the remote controller? I notice that only me that can see the remote controller, so even if it hit anyone, it will only pass through their body. And there will be no sound

even when it fall.

This design similar to hidden weapon that you can hide and throw.

When it was lunch break, I approach Mizuhara-san and throw it to her. The remote controller hit the back of Mizuhara-san and goes through her.

(Come back, remote controller)

When I think so, the remote controller was back in my hand.

Now, what is the numerical value will be.

Mizuhara Sakuya Love... 3

LOW! No, I never really talk with Mizuhara-san directly. If we assume that someone that has no contact with me is 0, then this 3 point might be because we are a classmate. Still it was close to 0.

However all this will change with just one button. Only this one button.

[TL: The author write it like this and then said it was literally one button. So I am guessing he just want to emphasize it.]

I push and hold the up button for a few second, and the numerical value keep rising steadily. And the love point that was 3 before in no time become 100.

With this, Mizuhara-san will be in the state where she was madly in love with me.

Mizuhara-san that should be talking with her friends suddenly become silent, I feel like she was peeking at me. Yes, It was me, she was looking at me.

Her girl friends ask 'What happens?' Some of them become confused and said 'is everything alright?' Mizuhara-san didn't reply to them and still looking at me.

I also take a glimpse at Mizuhara-san direction too.

When our eye meet. ...oh, her face start to blush.

The moment my eyes meet Mizuhara-san, she start to become flustered, and hurriedly look away. Her face that has become deep-red looks like a boiled octopus.

Her girl friends worriedly ask 'Sakuya... are you ok?' But, it doesn't seem like she was able to answer that.

But, for her face to become deep red with only meeting eyes. It seems like Mizuhara-san was really a pure girl... Interesting...

After school.

No matter wherever we are in class or in break when Mizuhara-san eyes meets mine, her face will become red immediately.

She didn't come to talk with me. But, looking how her behave is really interesting.

When our classmate start to leave for club activity or going home, I take my bag and start to leave the classroom while feeling Mizuhara-san looking at me.

When I passed by Mizuhara-san, [A, ano...] Mizuhara-san called me with her faint voice.

When I look back Mizuhara-san face was deep red, it seems like she was putting all her courage to called up to me while fidgeting around.

"Ah, Mizuhara-san. What is it?"

"Ano... I hear your head was get hit... So, are you alright now?"

"Ah, I have go to hospital to get it examination just in case. It seems like there is no problem."

"Is that so... That is good then..."

Ehe, Mizuhara-san laugh while feeling relieved. Kuh...! So cute...!

While trying to suppressing my nose that seems to grow, I try to act cool and deliberately said.

"Did you finish your business? Because, I want to go back home."

"Ah..."

Mizuhara-san has a pathetic expression on her face. I feel a sense of guilty for instant, however, it was so much fun to play with Mizuhara-san. It seems like it will become a habit.

While passing through Mizuhara-san I left for the classroom entrance. Mizuhara-san extend her hand like she want to said something, however, she just look down and lowered her hand.

Surely she want to talk much more with me, but, because I give her a cold shoulder she was afraid to do it. Her expression feel like she will burst out of tear in any moment, she look so adorable. Cute, Mizuhara-san is so cute.

I stopped at the classroom entrance and as if I suddenly remember something I look back.

"That remind me, Mizuhara-san house was the same direction as mine. Why don't we walk back together?"

"... ah, un! Is that ok?"

"Yeah, But, I never talk with Mizuhara-san that much so if you want too... or is it annoying?"

"It's not annoying at all! I am happy Etozawa-san."

The moment when I called out to her and ask if she want to go back home together, Mizuhara-san face that was gloomy immediately become shining with happiness. No good, Mizuhara-san was so cute.

When I am walking with Mizuhara-san, all the high school student with the same uniform as mine looking at us in astonishment.

Mizuhara Sakuya was a celebrity. She was an impregnable beautiful girl.

And she was now going back home with a boy, surely it will become a scoop.

Huhaha, you should take a good look. This girl no matter how you look at it was madly in love with me.

"That reminds me, Mizuhara-san was part of sewing club right? Did you like to sewing?"

"I like kilting and sewing a stuffed animal... Ano, did you have a cloth that need to mend? If you have something that you want to mend, you can say it to me."

"Amazing, it seems like you are good with house chore. You will become a good bride."

"Br, bride...! Ehehehe... that is..."

We talk about some silly thing while walking back. It was mainly me who start the topic, and she replied with all her might. What a cute girl.

"Mizuhara-san was so cute. Many people must have confessed to you before right?"

"I am not that cute! As for confession... I have been confessed before, but, I haven't thought about going out with anyone at all... but... well, now I have someone I like.."

"Eh..., so now you have someone you like. That guys must be happy. After all he was being loved by a cute girl like Mizuhara-san."

With my word, Mizuhara-san is, uwawa-ing with her blushing face, she hurriedly answered.

"Did you think he will be happy? The person that I like... he will not think it was troublesome?"

"Not at all. If Mizuhara-san confessed, I think everyone will immediately said OK!"

"... Ano, Etozawa-san, For example, For example if you receive a confession from a girl like me... what will you do...?"

Mizuhara-san eyes blinked and her face start to become red when she ask this question. I understand!

"If it was a girl like Mizuhara-san? Um..., I will decline."

"Huuu! ...I, I thought so, after all the girl like me was disliked... I am gloomy, and weak too..."

Receiving the shock, Mizuhara-san become depressed.

Why did you think yourself like that?

"No, well.. Mizuhara-san wasn't a girl like that, Mizuhara-san was like a flower. If Mizuhara-san was matched with me, I don't think I was worth of Mizuhara-san"

"Eh, ano... then..."

"Because Mizuhara-san was the cutest girl. If I can go out with a girl like Mizuhara-san I think it will be nice."

"Th,then..."

Mizuhara-san face feel like it was the end of the world. however when she hear my word, Her face immediately change as if she was the happiest women in the world.

"But, I am not a match with Mizuhara-san. So to go out with a girl like Mizuhara-san it will be just a dream within a dream."

"That, that is not true at all!"

Mizuhara-san suddenly shouted.

I became surprised and turn around, Even Mizuhara-san become puzzled why she was shouting, and hurriedly explaining.

"No, um... I think Etozawa-san was nice... If it was with Etozawa-san, I..."

"Oh, Look, there is park let's take this shortcut."

"Eh, ah... Wait..."

Without waiting for Mizuhara-san word, I deviate from the road and enter the park.

It was a large park and there is a lot of big tree, Even though it already summer, the evening seems start to get dark. This was my favorite

shortcut.

"Mizuhara-san, it seems like you want to say something, what is it?"

"Ah... um.. it is nothing...."

Mizuhara-san murmured it with a faint voice. It seems like I have crushed her timing to confess, with this she will be even more afraid to confess. Huhuhu, she is so cute.

"This, is the shortcut I often use."

"Ah, I also like to take a stroll at here when it was a holiday. But when it was evening, this place was dark so I never enter here at this time..."

"You are right, this place already become dark. There isn't much people that pass here either. You should watch your step because it was dangerous, It might be much better for us to get closer."

"Ah, Un! Then, Excuse me..."

Mizuhara-san get closer to me happily. It was at the distance where our arm was touched against each other.

...Alright, there is no one around here.

After checking there is no one around here, I stretch my hand slowly.

To Mizuhara-san ass.

\*squeeze

When I feel her soft butt, Mizuhara-san that has been walking beside me got startled. When she look up at me her face has a troubled look on it.

As If I didn't notice it at all. I keep rubbing her ass.

"Ano.. Etozawa-san... um... What are..."

"N? Ah, I am touching your butt."

"Fue!? Aaah, Ano, Etozawa-san, such a thing... you can't..."

"Ah, no, I just feel like I want to feel it."

I laugh happily, but, my hand didn't stop rubbing her butt.

"Well Mizuhara-san was so cute. For such a cute girl like Mizuhara-san to be at this deserted dark place together with me. Made me want to touching your butt."

While asking for Mizuhara-san agreement, I continue rubbing her butt. It feel pleasant to rub her soft butt over her skirt.

"B, But..."

She became embarrassed when her butt was rubbed by me, but, it doesn't seem like she's gonna refuse me.

Because of this, I become more boldly to rub Mizuhara-san's butt.

I rub it from the top to the bottom, from left to right. When I touch her underwear, I can sense she starts to become aroused from the sense of her soft meat underneath her underwear. ...I can't endure it anymore.

"Mizuhara-san's ass was so soft."

"Fue... A, ano... Etozawa-san, I'm so embarrassed..."

"Did you hate it? ... I see. For me to touch your butt...."

'Since I can't touch Mizuhara-san's butt, looks like I was hated by her..' I murmur this in a suppressed voice.

When Mizuhara-san hears me said [looks like I was hated by her] her face seems like she was frightened.

"N, No, I didn't hate you at all!? If Etozawa-san wants to do it... I, I will withstand it..."

For Mizuhara-san to say such a thing. It seems like she was scared to

be hated by me.

My excitement was increasing, so I stretch my hand underneath her skirt, and slip my hand inside her underwear to rub her ass directly. My hand seems to be melt when I touch her soft ass.

"Ah... there..."

"It feel so good to be able to be able to rub Mizuhara-san ass directly. So soft."

"Fua... uu..."

We Have stop walking, and I thoroughly enjoy Mizuhara-san Ass. she close her eyes while enduring till her ear become deep red was so cute. I sniff on the scent of her hair , ear and mouth. Each time I touch her she will start to tremble.

"Nee, What is the color of Mizuhara-san panty?"

"Fuwa.., it was white..."

"Really? I want you to show it to me.."

"Y, Yes... but... here..."

Even though this park was deserted when it was dark, but if we do it

here, we might be found out by someone. When I look around, there is a bush that seems to be convenient.

Holding Mizuhara-san hand, we hide near the bush.

When we entered the bush, this place was covered by a thick tree, making this place a blind spot. Even if I go bolder here, no one will know about it.

Inside the bush we are facing each other, I'm waiting with excited expression, Mizuhara-san face was red because of embarrassment, but she slowly rolled her skirt up.

"A, ano... Etozawa-san. Is this, okay?"

She timidly rolled up her skirt and showed her underwear to me.

Bringing a cute classmate inside the bush and made her lift her own skirt. In this kind of situation I feel a blood flowed to my meat stick and become hard.

"Ah, Mizuhara-san, underwear is already enough."

Hearing my word, Mizuhara-san feel relieved and put down her skirt.

"Now I want to see Mizuhara-san gone nude, so please take all your clothes off."

"...eh?"

Mizuhara-san body stiffed.

## Chapter 7 : Mizuhara Sakuya ②

At dim evening, on the deserted public park.

On the bush while I face Mizuhara-san, I urge her to strip off.

"Eh, Etozawa-kun... forgive me... To take off my clothes... outside...."

"Un, I know you are embarrassed. I understand that. But I want to see Mizuhara-san naked body."

"U, umm... If it was inside my room I will show it... But, outside..."

"No, I want to see Mizuhara-san naked now. Because..."

I stare straight to Mizuhara-san eyes.

"Because I like Mizuhara-san"

"....! Etozawa-kun..."

"I Like. I Love you. I want Mizuhara-san naked. I happiness."

... I am not accustomed saying a embarrassed word. That is why I speak like an indian,for now I look at Mizuhara-san eye patiently.

Then Mizuhara-san that has been unwilling till now, hesitated for a moment and murmured [If it was Etozawa-kun wish...] began to take off her clothes while feeling embarrassed.

When her Love point was Maxed, it seems like the word 'Like' have considerable effect.

[TL: No racist intended or to talk bad about indian people. Please forgive me if any indian people that get offended while reading this line. If you want to blame, blame it to the author seriously that is what i got from MTL]

After Mizuhara-san uniform was off, I was able to see her cute bra, after that she take off her skirt, there is only her underwear left on her.

And, after hesitate for several second, with \*Ei! She take off her brassie.

Mizuhara-san bare breast appear right in front of me.

"Mi, Mizuhara-san breast...!! H, Hey, don't cover it with your hand, let me look at it!"

"Un.... Uuu... so embarrassing...."

Even though Mizuhara-san face was about to cry because of embarrassment, she still show her breast right in front of me. Her breast was much smaller than Ema-san, However i think it will fit perfectly in my palm, I think this was good!

When I come near to look at it, her well shaped breast faintly shake. At the tip of twin mountain there is beautiful pink nipple that was pointing up.

".... The bottom?"

"FUE! Th, that is right... yes..."

Mizuhara-san startle a little bit when she hear my request and she take off her underwear as if she already resigned herself to it. The last piece of clothes slip past her soft tight, knee and off through her calf.

"Umu..."

"U, urgh... Etozawa-kun please don't look at it so much..."

"Umu..."

"Hau..."

He look at Mizuhara-san as if he was a skillful appraiser. Sometime he look at it from far away or sometime he look near it. He was gazing at Mizuhara-san from various angle.

After gazing her from various angle he come to conclusion, Mizuhara-san naked body was so beautiful. Not only her breast, but every part of her body was well shaped too.

Her tight ass looks so delicious.

Her well-shaped belly and cute navel.

And her small size but firm breast stood up proudly.

He took out his smartphone and tap on camera application.

"Here.... Say cheese...."

"U,ah...! You can't take the picture...!"

".... Can't?"

"Uuu...n. nothing..."

Time to take a photo. I take the photo of her breast, ass and her face.

"Alright, then sit here. Spread out your leg so I can see it."

"Auuuuu...."

Because I feel sorry to let her sit down on the grass naked, so I let her sit on my bag. And Mizuhara-san slowly spread her leg in embarrassment.

Till it made M shaped.

Mizuhara-san private part was right in front of me.

It is the 2nd time I see a raw women private part, and it was the 2nd person. The shape seems to be different from Ema-san as expected.... Interesting.

Ema-san have a gold colored public hair. While Mizuhara-san public hair doesn't seems to grow much.

Her slit was closed tight, so I can't see what is inside of it.

Even though it was dim, with this much lighting I can still look at the stark naked body that was dyed pink because of embarrassment. This beautiful girl that spread open her leg seem like she will break from shyness.

This is too erotic!

When I crouch down in front of Mizuhara-san private part, I extended my finger to both side of the slit.

"Ah..! Etozawa-kun, that place..."

The sensation of her hot private part was transmitted back from my finger. Using my finger I start to spread her slit apart.

The inside of her pink slit was showed, it become exposed right in front of my eye and it twitch a little bit.

"This is Mizuhara-san private part..."

"Hau, so embarrassing... Please don't look at it so much..."

"No, I will look at it, I will look at it carefully. I will take a photo too.."

"FUE...."

When I move my finger to left and right to spread and close her slit, her private place make a sound \*kupaa \*kupaa. Mizuhara-san private place was so soft.

"Fuwa... haa..."

"Does this feel good Mizuhara-san?"

"I, I don't know.... But, I feel strange itchy..."

"How about here?"

"Hyaa! Dont, not there.... It feel somewhat funny there..."

"Is that so. Then, you need to feel more."

"Hyaa!!"

When I use my finger to play with her clit, Mizuhara-san body start to twitch around. Because I have practiced with Ema-san private part, I was able to do it perfectly.

Mizuhara-san scream with her delicate voice while I play with her clitoris, and I move my finger inside her private part and move it rapidly, before long a sweet sigh was mixed in her scream.

Before long her hole start to secrete her love juice.

With her love juice as a lubricant, I was able to increase the movement of my finger inside her private part. It made Mizuhara-san waist start to move impatiently by her own.

"E, Etozawa-kun... umm..."

"What's wrong Mizuhara-san?"

"U, umm... restroom... please let me go..."

"....Did you feel like peeing?"

Seriously? I want to see it.

"Alright, Alright, do it here."

"Fue!? N, no... I don't want to... therefore... please..."

"No, I want to see Mizuhara-san peeing. That is why..."

Can't you show everything to someone you love?

When I said so, Mizuhara-san seemed to be surprised. Probably because she was experience a pleasure that she never experience till now she absentmindedly said, [Yes.... I understand... I will do it here.]

Mizuhara-san spread open her leg as I requested. To let me see her peeing scene clearly, she put her right hand next to her private part and spread it open herself.

I wonder if it was because she was being watched, since she was unable to pee even though she was trembling.

"Mizuhara-san, it isn't ready yet?"

"A little bit more... almost.."

I put my smartphone in standby mode so I can record it.

Before long... a warm liquid start to spill out of her private part.

"Fuwa... it is out... To pee... in front... of Etozawa-kun...."

"Wow... It come out with such a force. Fumu. Is this urethra that Ema-san was talking about."

Between her private part and her clitorius, the pee was shoot out. It start to make a steam as it reach the ground, it drew a beautiful parabola as it was released from Mizuhara-san private part.

Looking at a naked beautiful classmate that was peeing inside the bush, made my meat stick start to rouse up from it sleep

Looking at Mizuhara-san innocent expression.

She was so cute and lovely. I try to make her relaxed while smiling. Usually, Mizuhara-san was like a fairy that come out from the painting, but, I never thought Mizuhara-san can become this aroused.

Before long, the force of Mizuhara-san Pee was weakens.

Looking at Mizuhara-san thigh and private part my meat stick already erect and it start to become painful. I don't think I will able to endure it anymore.

I lowered the zipper of my pant slowly.

Mizuhara-san become embarrassed after doing such a shameful play, and look at me absentmindedly.

"The scene of Mizuhara-san peeing was so beautiful that it made my thing become like this..."

"Fuwa... Etozawa-kun..."

I take out my meat stick that has become erect. Then I heard she gasped. I even take it out and show it right in front of Mizuhara-san face.

Not only did I show it to her, I also rub my meat stick at Mizuhara-san face. Soft... It seems like it will become a habit.

Mizuhara-san looks astonished, but I can't endure it anymore.

"Mizuhara-san I want you to make me feel good with your mouth. Hora, open your mouth."

I slide my meat stick that was on her cheek before, and slide the tip on her lips.

Her lips feel soft. Is this Mizuhara-san first kiss? Even though I haven't kiss her yet, my meat stick already take her first kiss.

"Hurry. My meat stick already become like this so you need to take responsibility."

"U...Ummn... ...NNnn... Um... Nnn....!"

"Don't use your teeth. Use your tongue and lick it clean."

When Mizuhara-san want to said something. I shove my meat stick inside her opening lips forcefully. After that I start to violate the mouth of the girl that haven't ever been dirtied before.

The feel of her saliva covered tongue feel so good.

I grasped Mizuhara-san head so she can't escape, and move my waist slowly. I start to face-fuck Mizuhara-san.

"UO.... Mizuhara-san mouth feel so good. It almost made me cum immediately...."

"N...Nnn..."

It looks Mizuhara-san was feeling pain to the point her eyes become teary, but she still didn't use her teeth and use her tongue to lick me.

Even though I move awkwardly it still give enough stimulation for me to feel good.

My voice leaked out as I feel my ejaculation come near.

"UU... Mizuhara-san! Cum...! I am gonna Cumming! I am going to cum

inside Mizuhara-san mouth!"

"NNN! Mnnn!! N..."

My meat stick start to fired the semen inside Mizuhara-san mouth. The force of my ejaculation sent the sperm straight to Mizuhara-san throat. Because he can't contain all my sperm she coughed and I take out my meat stick from her mouth.

She cough out my sperm from her mouth, some of it even come out from Mizuhara-san nose.

"Fuuu... It feel good Mizuhara-san."

"\*cough... R,really...? I am glad..."

Mizuhara-san really cute after all.

While praising Mizuhara-san that has do her best, I rub my semen covered meat stick to her breast to clean it. Her soft breast almost made my meat stick become erect again.

"Fuu... Because Mizuhara-san was so erotic it become erect again. What did you think we should do?"

"Eh... that... is this... my fault...?"

"That is right. Because it already become like this, I think we should use Mizuhara-san private place."

"Fue..!? Ah, that... that..."

Mizuhara-san start to move her hand in panic.

However, when I said [You don't want to?] she immediately became silent while glancing at my half-erect meat stick.

Soon, her face become red and she muttered.

"It isn't like I didn't want to do it with Etozawa-kun. I..."

"Then. should we change the place?"

"Un..."

I take Mizuhara-san hand and start to walk away.

There is a public toilet on the other side of the bush. After I confirmed there is no one inside. I take the hand of Mizuhara-san and lead her inside.

## Chapter 8 : Mizuhara Sakuya ③

"A, ano.. Etozawakun. For me Etozawakun, well... was my first... to do it in this kind of place... please consider.."

"Well, there is no other place around here except this."

I brought Mizuhara-san inside men toilet room at public toilet. Because I drag her by hand Mizuhara-san only can follow, the moment she hear we will do it here, she hated it.

"Because it was my first time... so, I want to do it on the bed, that is why..."

"... You know, It was troublesome if you said something selfish. Are you joking with me?"

"....! tha, that is not true... I am sorry... I am sorry..."

Looking at how I become annoyed, Mizuhara-san body shrinked and start to apologize.

It seems like my sadism nature was awake when we do urination play from before.

Well, the frightening Mizuhara-san was also cute! I want to tease her more.

"Did I need to ask properly when I take Mizuhara-san virginity? Look, you are already this wet."

"Hya! uu...."

Mizuhara-san was stark-naked. When I fingered her private part it already wet with her love juice.

Not long after I fingered Mizuhara-san, I can feel a weak sigh began to leak out from Mizuhara-san mouth.

I bring my face close to her and our lips were locked together, and I rub her breast with my available hand.

"U, Etozawakun... Nnn.... Aaa..."

"Place your hand on the wall, and turn your ass to me."

When I whispered this to her ear with sadistic tone, even though Mizuhara-san felt scared, she still placed her hand on the wall and turned her ass to me.

A white and beautiful naked girl in the men's toilet room isn't suitable at all.

To make your beautiful classmate go naked and push her ass to you make me aroused.

When I stroke her round and tight white ass, I look down at the beautiful Mizuhara-san back and requested.

"Hora, Mizuhara-san. Try to beg me to take your virginity."

"Uu... M, my virginity... I will give... Please take it...."

Hearing her word, I give a slap to Mizuhara-san ass. "Hya!" Mizuhara-san give out a short shout.

"It is no good if you speak like that. You should arrange the word properly."

"A, arrange....?"

"You should arrange it so I feel like putting my meat stick inside you. Hora, you can do it! Mizuhara-san can do it! You can do it!"

"Uu... yes... I will do my best..."

Mizuhara-san already become teary. But because her affection level was controlled by me, she will listen to whatever I want.

Even if she only receive terrible treatment, her love for me will never

shake.

"A, Ano... Etozawakun... meat stick... please... give it... to me..."

Ugh!

"Hya!"

"More Erotic! More Sexy! I believe Mizuhara-san has potential for that! Do your best!"

"Y, Yes.... Ano. Etozawakun meat stick... Please... put it inside my dirty virgin pussy..."

[TL: yeah as an Ero-Tler if I change this line i should just quit doing ero]

UGh!

"Hiin!!"

"You have improve! But you need to do much better! Do your best! I am certain you can do it!"

"Mou... It was impossible. It is so embarrassing..."

Mizuhara-san eyes become teary when she beg me.

But, for me this situation already become fun. I keep saying 'don,t give up, You can do it!' Or 'You can do it!'

Even though I keep rejecting her demand, Mizuhara-san repeating to [begging me] as I requested.

Because I keep slapping Mizuhara-san ass when I reject her, Mizuhara-san ass now already become deep red.

And at last... Mizuhara-san [begging] was able to satisfied me.

I spread Mizuhara-san private part with my finger, the inside of her sloppy private part was exposed to me.

Her pink private park look lewd with all that love juice she poured out.

While sticking her ass to me, Mizuhara-san looks back and began to beg me with her sexy voice.

"Etozawakun. Sakuya private part is itching... my virgin pussy, want Etozawakun meat stick..."

As if to prove her words, her love juice start to poured out from her private part.

"Please look..., please look at Sakuya lewd virgin Pussy that was dripping with love juice... Please, I can't stand it anymore. Please pierce Sakuya bitch pussy, with Etozawakun penis and fuck me till I become pregnant...."

[TL: I have uncensored it]

Mizuhara-san beg me while playing with her dirty private part with her finger. And she play with her breast with another free hand, the look of her seems like she has turned into an idiot.

Looking at the figure of Mizuhara-san, I....

"I think you are overdone it... Uwa..."

"Eee!? Etozawakun is awful! Even though I did my best for Etozawakun while being embarrassed...."

"E, a, sorry sorry... I'm sorry... okay?"

"Yo, you didn't need to apologize..."

Because it was too erotic I was calmed unconsciously.

It seems like I have gone too far. The pure and innocent Mizuhara-san that can calm people heart just by looking become erotic virgin bitch.

It seems like Mizuhara-san has calmed down too, and when she remember the time she [beg] her face was become deep red with embarrassment while her eyes become teary.

"... Mmm. Maa, The ecchi Mizuhara was good too. It was fresh to look at Mizuhara-san like this."

While I cheer Mizuhara-san up, I start to take off my belt and take my meat stick out.

Even though I have calmed down, the erotic figure of the beautiful girl in front of me make it hard again in no time.

Mizuhara-san hold her breath while looking at me taking off my belt.

"....Etozawakun. ... Are we still doing it?"

"Un. Looking at Mizuhara-san lewd private part, my meat stick was standing up again."

"Y, Ya... Mou, you shouldn't said it like that...."

I grasp Mizuhara-san ass, and start to aim my meat stick at her private part entrance.

The feeling of her wet private part was transmitted to me from my glans.

"A... hua... Etozawakun..."

"Mizuhara-san private part, was so wet, it feel wonderful. .... Look, it start to enter a little bit."

"A... Nnn... Ya...n...."

When I insert it slightly and move a little bit to tease her, Mizuhara-san waist try to move away and shake her head. But, this movement was serve to raise my excitement more.

"The, here I go. I will pop Mizuhara-san cheery."

"Un... come... Please take... Sakuya virginity..."

Hearing Mizuhara-san continue to beg from our play before, I lowered my waist, and push foward.

Mizuhara-san womanly part warp my meat stick softly.

She cry out while bearing the pain.

I feel some resistance when I try to pierce Mizuhara-san private part, nevertheless I keep moving forward, before long, there is blood coming out from the place where our body joint.

"U...gh, Ku... It seems like I am careless..."

"It... hurt. Etozawakun... wai, wait a minute..."

"It is useless... It feel so good that my waist move without my permission.. Uu... it is so slippery..."

My meat stick was buried inside Mizuhara-san private place.

Mizuhara-san twist her body in pain, but her movement was giving me pleasure instead.

Before long I was able to buried my meat stick down to the root.

I grasp Mizuhara-san ass, I feel a sense of accomplishment when I feel her soft ass touch my belly.

"Look... all of it was inside Mizuhara-san..."

"Ah... Hua... Etozawakun thing... inside me..."

And gradually, I start to move my waist a little bit.

I try to suppress my grind but, before long my movement become much faster.

"Ah... Hya... N... Etozawa... kun..."

A sweet sigh began to leak out from Mizuhara-san mouth.

When I violate her from behind, Mizuhara-san cute anus was completely exposed to me. And under it I can see Mizuhara-san lewd hole change as it swallowed my meat stick.

Just looking at her beautiful ass as I thrust inside her, make my meat stick harden inside her.

"Kuh... It feel so good Mizuhara-san... "

"N... Ahn! Ah... Etozawakun... I love... I love you..."

Mizuhara-san twist her body while looking at me with teary eyes.

I bend my body down and kiss Mizuhara-san from behind her.

"Aaah.... Etozawakun... Nnn... hya..."

When we kiss, I stretch my tongue to invade Mizuhara-san lips. Even though this pose was uncomfortable, we can feel the love for each other so it is good.

Before long I can feel the urge from my meat stick. It seems like I am on my limit.

"Kuh... no good... I am cumming...!!!"

"Ahn! Ah... Ah...! Hyaaaan!!"

Just before I cum, I pull my meat stick out quickly from Mizuhara-san private part. Mizuhara-san cry out coquettishly from this stimulation.

White semen was fired from the tip of my penis and stained Mizuhara-san beautiful ass.

While I ejaculate, I rub my meat stick on Mizuhara-san ass, and with my hand I push open the crack of her ass.

The semen I let out even amaze me.

While feeling the softness of Mizuhara-san ass, I spit out my semen to my heart content.

I wipe off the semen that left on our body with wet tissue, while Mizuhara-san fixed our clothes.

The rustling sound can be heard from the private room in men's toilet. Before long Mizuhara-san already dress up in her uniform and return to her usual pure and innocent beautiful girl appearance.

However there is the feel of sexyness in her expression, and fevereness in her eyes when she look at me.

"...Ehehe, somewhat I feel embarrassed..."

"Mizuhara-san, was very good in ecchi stuff. Both of your breast and ass was the best. And your private part was wonderful too."

"Mo, mou! Etozawakun is ecchi..."

Mizuhara-san was angry at me while feeling bashful, In fact it feel like a sweet atmosphere of being a lover here.

"Ne... me and Etozawakun already... going out, so it is okay..."

"Un? That is right... then,let's going out."

"Really!? I am happy..."

Mizuhara-san start to snuggle up to me. It is not like I can said 'you are the 2nd women for me'

After confirm there is no other people around us, we left the public toilet.

It already evening and the sky already turn dark.

On our way back, Mizuhara-san intertwined her arm with mine and behave like a lover with me all the time.

'I will see you tomorrow at school' when I said that she feel reluctant to part with me.

When I arrive at home I can still remember the feeling of Mizuhara-san body.

Now then, who should I have sex with next.

## Chapter 9 : Tomoko Yamashina ①

"Because everyone will make a ruckus if they knew I was going out with Mizuhara-san, let's keep it a secret."

Is what I said to her.

"Let's keep a secret that Mizuhara-san and I already make out."

This was my true intention

Even though Mizuhara-san was madly in love with me, I decide to hide it as much as possible.

Even if we meet at school, we will not speak with each other in front of other people.

But, because I said so, Mizuhara-san said [I want to talk with Etozawa-kun much more...] with teary eyes. Because of that I decide to take a measure.

I decide to make a hideout. A secret place at school...

At my house there is Sayaka-san and my younger sister, and a high school student can't enter a love hotel. Of course I can disguise myself, but it will be foolish to spend money for it.

That is why I plan to made a free hideout at school.

Fortunately, in the old days because of the increasing of the student in the past, our school building was reconstructed.

Now, there is a lot of empty classroom at our school building because the number of the student has decreased from the past.

But, It was necessary to involve a teacher on this plan.

But, that will not be a problem, since I have this invisible remote controller with me.

If I increase their affection to me they will give me a permission to use the empty classroom easily.

Then, I wonder who I should targeted.

A man will be out of question. Even though I can raise their affection, it will not be fun at all. I think it will be worst, if the opposite was a gay and I get attacked because of it. It will be super scary.

As expected a female teacher will be the best. And If possible a beauty too.

If I can have her with Mizuhara-san, it might be become a forbidden teacher-student combination.

While thinking about such fantasy, I stare at Yamashina sensei that was standing at the platform teaching modern japanese.

Tomoko Yamashina, 24 years old.

After finished her University, she come back to her Alma to teach, this year she was responsibility for a class for the first time.

She has a soft black hair that extended to her back.

She has good look, and her expression when she was troubled and going 'Au au' was cute.

If I want to sum up Yamashina-sensei in two word then she was a natural airhead.

It is not only her appearance but, her atmosphere as well.

She was usually wearing a cardigan, but, leaving her appearance aside, if you look at her chest..

She has a gigantic chest. She was a natural airheaded big breasted sensei.

Looking at her appearance she seem more suited to be a University student or a maid, instead of a teacher.

For some reason, she seems to want to hurry up progress the teaching, but when she try to progress the textbook for some reason it go back. [Sensei, we already cover that up yesterday] and was pointed out by other student.

'It can't be helped since it was Tomo-chan~', when another student said that everyone in the class start to laugh. Yamashina-sensei panicky said [Don, don't laugh~], and everyone start to laugh again.

When I look at Tomo-chan carefully.

Her wavy soft hair, and her expression that seems like a small animal was lovely.

I think cute is much accurate to describe her than a beauty, when she walk around the town she must have attract a lot of attention.

Thinking about how I will push Yamashina-sensei down, I start to cowering down, however thinking about how good it will be when I violate her, my blood start to flow down to my lower part.

Alright, I have decided to make Yamashina-sensei mine. Let's do it.

"Tomo-chan sen... Yamashina-sensei~"

"...Etozawa-kun, just now you are trying to call me Tomo-chan sensei didn't you?"

"It's just your imagination."

"Even though it was 1 word less I can still hear you know! You shouldn't do that! Because I am a sensei!"

Tomo-ch.. Yamashina-sensei didn't like people care her by her nickname. Even though she was lecturing me, to be honest I didn't feel scared at all.

Before long, it seems like she give up lecturing me and she lowered eyebrows, and now she asked me with a smile in her face.

she said no matter what she was glad that the student was able to rely on her. Usually it was the other way around.

"So, what does Etozawa-kun want with sensei?"

"I have heard a cat cry at the classroom that wasn't used in 2nd school building."

"A cat.... Eh. it must be cute."

While imagined a cat, Yamashina-sensei have a soft smile on her face.

"It will be good if it was a cute one, but, I hear it cry meow, meow, and the sound of scratching at the wall. Perhaps it run inside the class and can't go out."

"Eeh!? Seriously? We need to hurry up and help it."

"That is right. But the door was locked. So I can't look inside the room."

"Fuwawa.... It is terrible. The cat going to die"

"No, I am sure the cat isn't going to die.... Sensei? Why are you

trembling?"

Did she imagine that the cat will die from loneliness in the empty classroom? Holding on her own shoulder Tomoko Yamashina 24 years old body began to tremble while her face was pale.

.... I know it was me who try to deceive sensei with my made up story, however aren't she too air headed?

Yamashina sensei who was trembling before long lifted her face and start to said panicky.

"Etozawa-kun, it is a serious trouble! We should hurry up and help it!"

"Yes, that is right. So let's get the key and have sensei to come with me."

"I understand! The live of the kitty was in the stake! Let's hurry up."

"Yes, let's hurry up and do it."

We noisily go to the teacher room, the other teacher didn't pay attention of what we do and Yamashina-sensei took the key of the room I told to her.

In order to save the live of the kitty, we hurriedly run to the 2nd school building that was rarely used.

Well, From the beginning there is no cat at there though.

This school building was builded in the old day, Because we mainly use the new building now, not many people will come here. In the classroom in the corner of this school building, Yamashina sensei and I was searching for a cat.

This classroom that have not been used for a long time smelled of wood.

Yamashina sensei was looking around restlessly.

"Etozawa-kun, is this the classroom? But, I can't hear the sound of the kitty."

"Yes, this is the one"

"There is no kitty here~...."

"Because we come here suddenly, it might be surprised and go into hiding. Let's look for it."

"Yes!"

She return the reply absentmindedly, and Tomo-chan begin to search

for the cat that was never here to begin with.

"Kitty-Chuan~, where are chu~. Don't be afraid cyu~"

Looking at Tomo-chan that was searching around while talking in baby talk, my head start to have headache. And her japanese began to turn weird.

But somehow I have a sudden urge that I should protect this teacher somehow.

This sensei feel like she will easily tricked by a bad man.

However, I should accomplished my original purpose first, that is right, throwing the remote controller toward Yamashina-sensei.

The remote controller that I throw easily slipped out from Yamashina sensei body, When I wished for it, it come back to my hand.

Now then, time to raise her love poin..., when the remote control come back to my hand, I was surprised.

The button for remote controller has increased.

Now there is 2 set of triangle and inverted triangle.

What the hell happen? Before it was only one an up and down button

before.

Furthermore, there is something like a silent mode switch that was common for a smartphone included on the side.

I confirmed the message that was appear on the LCD screen while being puzzled by the change in the remote controller. Like what happen to the button, the format of the message change too.

-----

Tomoko Yamashina [Child making mode] on

Affection.... 34

Lust..... 0

-----

...Child making mode?

Instead of written in Katakana it become a Kanji instead? And the parameter increase!

And from Love it change into affection. However for other parameter, Lust.... what a straight to the point parameter.

[TL: before Love was written in Katakana, now It change into kanji which was 愛情 it can be translated as love or affection but i choose to use

affection instead.]

And then this [Child Making Mode]

When I press the switch on the side to try, the [Child Making Mode] that was on turned into off.

[Child Making Mode] Off. This.... does that mean if I cum inside her they will not become pregnant? [TL: The ultimate contraception was born from alien technology]

Un, this is good. I will turn it off. I wouldn't want to become a father when I am still a high school student.

Now there is 4 button line up. There is 2 combination of triangle and inverted triangle. One was for affection point, while the other was for lust point.

I try to press up the right button. And the numerical for affection was raised up.

Then is the left side was for lust point?

I try to push and hold the up button of the left side. Then the numerical value of lust point increases, and finally stop at 100 point. I see, it was the same as affection point, and the max point was 100.

-----

Tomoko Yamashina [Child Making Mode] Off

Affection..... 35

Lust..... 100

-----

Now then, I wonder how is the effect..., Looking at Yamashina sensei, it feel like it was obvious.

Yamashina sensei who was squatting down to look for a cat was turned back and look at me with rough breath.

“Sensei? What wrong? Did you feel something wrong somewhere?”

“Do, don’t come! Etozawa-kun... Sen, sensei just remember that I have something to do...”

“What about the cat?”

“Uh... that is right.... If the cat die.... But... Hau...”

She somehow try stand up and want to leave the classroom with a vacant eyes and blushed face.

The sensei that was usually a natural air headed was now letting out a strange sexy voice.

Looking at sensei condition, I approach the classroom door directly and turned the key and locked it from inside. Yamashina sensei was confused when she look at my action.

"Etozawa-kun...? Why.... are you locking the door?"

"Sensei. Actually, It was a lie when I said there is a cat locked here."

"Fue..? why did you do that..."

"I have important story that i need to tell sensei. That is why, this place where we can be alone was convenient."

Yamashina sensei shoulder start to tremble when she hear me said the 2 of us alone.

Even though she was a natural air headed sensei, it seems like she finally understand the present situation.

"Eh, Etozawa-kun... Don't... Come close to me..."

"Sensei. I, like sensei. I didn't see sensei as a teacher, but as a women. I love you!"

I approach Yamashina-sensei slowly.

Yamashina-sensei that was trying to stay away from start to retreat backward, but her body doesn't seem to be able to move well. And wasn't able to escape entirely.

"D, don't.... If you touch me now.... Hyaa... Furthermore... Etozawa-kun is a student... and I am a teacher.."

"How can you said something like that! I like Sensei! No, I Love sensei!!"

\*Gaba! I hug Yamashina sensei.

When I hug her Yamashina sensei start to twitch in my arm and shouted 'Hyu!!!!' with sexy voice. It feel good to be able to hug Yamashina sensei body.

Nevertheless, this reaction.... Is it possible that she cum just from being hugged?

When I separate our body and look at Yamashina sensei face, she has loosed face that seems like she has gone senile. Uwa, she really did just cum.

"Sensei!? Are you okay, sensei!?"

"Hyaa... don't... touch... Hya..."

Even though I only grasped her shoulder, Tomo-chan sensei body start to tremble and her expression seems to be on her limit. The power of 100

point of Lust.... is amazing.

However, even though it was great, we can't talk if it was like this. Because sensei seems like she will faint soon.

I summoned the remote controller to my hand and lowered her Lust point from 100 to 80 point. Finally Yamashina sensei conscious seems to be returned even though her breathing was still rough.

"Eh, Etozawa-kun.... Don't... we are teacher and student.... okay?"

Oh, it seems like she was able to talk now.

Her face was still blushing, while holding Yamashina sensei that was showing a very sexy expression, I argued vehemently.

"I love sensei! I want to make sensei my women!"

"That... I love Etozawa-kun as a student too.... But for the relationship between men and women, it was prohibited. I think there is much better girl that will like Etozawa-kun..."

Because I didn't raise Yamashina sensei affection, she reject me because of her teacher ethic. But, because her Lust point was raised, there is no much power behind her word.

The line that seems like often said on soap opera come in my mind.

Even though your heart didn't want it, your body was honest? Oi.

Does men really said such a thing? While thinking so. I massage Yamashina sensei breast.

[Wh, what...!] While saying so, Yamashina sensei body start to twitch and tremble.

Her breast was much bigger than Mizuhara-san. While hugging sensei, I massage her breast over her cardigan. I can tell how elastic it was when it change its form at my hand.

"Hya, Hyauuu.... Don't.... Etozawa-kun.... Don't.... NNnnn....!"

In addition I stop Yamashina sensei lips that was protesting vehemently with kiss.

At first, sensei try to resist weakly, but when I insert my tongue through her lips and run wild inside her mouth with a deep kiss, she start to lean her body to me.

"NNnn... Nnn.... Um.. Etozawa-kun...."

"Fuwa.... Sensei, is so cute."

"Don't.... What happen today, I will not tell it to anyone.... Okay? So please...."

"I didn't understand, Sensei."

I reach my hand under her skirt, and traced Yamashina sensei private part over her underwear. Through my hand I can feel something moist under it.

"Hyuuuuuu!!!"

"For sensei to getting this wet by being forced by student, It doesn't seems convincing."

"That is no... Hyann!"

I retracted my hand from her secret spot, and bring my wet finger before sensei face.

When I spread my two finger apart, the sticky liquid was spread apart leaving a string trail.

When Yamashina sensei watch this, her face was flushed red, but, she still resisted with her mouth.

I undo the button from the shirt Sensei was wearing. Sensei start to said [Don't....] and [Stop...] but, it seems like there is no strength on her body, because she didn't resist it at all, or is she try to resist but didn't want to resist at all? [TL: Like how women said no but it means yes]

How should I said this, Sensei rejection by saying 'No, No' was strangely

seductive, and it was giving an opposite effect that make my meat stick slowly waken up.

## Chapter 10 : Tomoko Yamashina ②

I remove all the button from her shirt, I reach my hand to unhook her bra and her abundant breast appear.

Looking at it from the closer, it looks amazing. It has good shape, and on top of her two mountain there is her lovely pink nipple.

When I rub it from the bottom to the top, I can feel it softness.

"Wow, Sensei breast~"

"Ya... don't.... Don't rub it."

"Sensei, why your nipple become hard?"

"Don't.... Lick it.... Hyaa!"

While I lick sensei breast and play with it like a toy, I reach out my hand to remove her flare skirt.

"Then, sensei. I will take it off"

"Y, yaa..."

I take off her shirt together with her cardigan, I also take off her bra and

strip her skirt off her.

I was lost in the word for a moment when I see what appear under her skirt.

I was surprised she was still wearing a print panty when she was 24 years old.

"Sensei.... I don't think anyone wearing a printed panty when they are 24 years old. Moreover it was bear panty."

"It, its cute, it is my favorite....! Ah, don't.... Take my panty...!"

"Sensei panty was to childish, so I am going to take it off~"

It take a while to take the bear panty off from sensei.

As expected Yamashina sensei was showing resistance when I try to take off her underwear, however there is no strength at all.

Before long her figure in her birthday suit was shown to me.

In the empty classroom the beautiful female teacher was stark naked. She try to sit down with her body that was filled with carnal desire, but there doesn't seem to be power in her body.

"Umu, sensei really have a nice body. It was erotic."

"U, ero...!? Don't say it like that...."

"Hora, don't hide it. Let me see sensei private part"

"Hy, Hya!"

I move her hand that was trying to cover her private part and catch Tomo-chan sensei knee and hold it to the so called Manguri position.

Her private part and back door was completely exposed to me without anything to hide it.

[TL: for those that was curious about Manguri Position Google it with this word まんぐり]

[Neji Note : here the image below :

]

Surprisingly Tomo-chan private part was bald.

I wonder if it was because she cum just now. Her Private part was wet because of her love juice and it made indecent sound. I can see her pink clit as well.

"Wow. Sensei, has already become this wet. I should lick it to clean it up"

"Fue.... Li, lick it...!? HYA, fuaaa!!!"

When I bring my face closer to sensei private place, I can smell her womanly smell.

I thrust my lip and suck her private part with *Jyuru Jyuru*

Tomo-chan sensei raise her voice sexly and her body tremble in pleasure. Her body really was honest.

I lick her private part and going up to her thigh. Sensei smooth and soft thigh now was covered with my saliva.

Sensei always wear a knee high skirt, sometime when I was at the bottom of the stair I can see it when it was lifted by the wind. I thought that I want to lick sensei white and smooth thigh someday.

After thoroughly enjoy her thigh, now I start to lick her stomach. Her breast, neck, armpit, I trace my tongue completely throughout sensei body

In this empty classroom, the figure of female teacher that was exposed to her birthday suit was gasping for breath.

By the time I have licked her body from the tip to her toe, she has cum for several time. I lay her wearily body down to the floor that was still twitching.

"Sensei was so ecchi. Even though I only touch, sensei already become

like this."

"Uu....Etozawa....Kun"

"Me too when I look at sensei like this I have become like this. Look"

"...! No....Etozawa-kun....Don't.... Only that...."

I take out my meat stick that already become erect out. Then Yamashina-san that was still lay limply on the floor shake her head and begged with teary eyes.

However, I disregard it and start to take off my school uniform.

"Etozawa-kun.... Please.... Just let me go...."

"It's useless. Because I will make sensei my women. I will violate and cum inside sensei until sensei become pregnant."

The moment sensei hear become pregnant, sensei face change.

Her expression was filled with fear. However under her face, I can feel her excitement that was appear and disappear in an instant. While being pinned down by man, she has an expression of joy like a female that will be violated soon.

"Sensei, it seems like you have become excited when knowing we will

embrace each other nakedly.”

“No.... Don’t.... Etozawa-kun, please....”

“Then, this part of sensei was this wet? Look, even though my tip was only kissed with it, it feels like it try to swallowed me whole.”

When my glans was swallowed by her private part, I move my waist a little bit with [Hya...] in instant her expression change.

“This part of sensei, doesn’t it look delighted? It seems to want my meat stick.”

“No, it was different.... No....”

“Look... my meat stick is entering sensei private part.... N...”

“Hya, Nnn... Ahn...”

My meat stick was piercing her wet private part. Her wet hole was tightened around my meat stick gently, it feel good.

While Yamashina-sensei suppressed her voice with teary eyes, and try to endure it desperately.

However it was quite tight.... If I do it slowly, it seems like I will ejaculate immediately, so when my glans already half buried, I thrust it inside

quickly.

"HyaaA...!!! ... uuu...."

Sensei raise her voice.

It seems like she was enduring the pain, when I look at her private part, I can see a trace of blood flowed out of it.

It was the blood of deflowering.

"...Sensei, was a virgin...?"

"Uu..."

"To be able to get sensei first time. I am happy, in return I will make sensei feel good"

Using the remote control, I raise the lust by 10 point, and make it reach 90. The expression of sensei that was enduring pain was gradually melted.

When her pain already lessen up. I start to do deep thrust. A sweet sigh was leaked from sensei mouth, and her hole was tightened around my meat stick.

Soon, my meat stick was buried completely inside her hole.

"Look... all of it already entered inside. With this sensei already become my women"

After inserting all of it inside her, I pat the hair of Yamashina-sensei while speaking with her.

Sensei expression already become dim because of pleasure, and she only can receive my meat stick while panting.

Even though I didn't move and just keep still, sensei start to move timidly without my permission, even though she has tear in her eyes, it seems like she enjoy it.

"Ah... Tomoko... become Etozawa-kun women...?"

"That is right. Look, all of it already inside, did you understand what this mean? Sensei and I have become one. You already become my women."

"Fuwaa.... Uuu... I have become Etozawa-kun women... Tomoko... have become an adult... I am gonna become pregnant and bore Etozawa-kun baby...."

I am the first for sensei.

I didn't understand why sensei suddenly become obedient when I insert my meat stick deep inside her. It is just like the line from doujinshi [Stick your meat stick deep inside the women to make them obedient]

was true Or it is just that Yamashina Sensei was easy?

Because it doesn't seem like she was in pain now, I start to thrust my waist.

Whenever I thrust it inside sensei's face was panting as if she was suffering.

Her hole was so wet and tighten around my meat stick as if asking me to spit my semen and fill her hole.

"Etozawa-kun.... Amazing... It feels good.... Tomoko, Feel so good..."

"Me too. Hey, stick out your tongue. Let's kiss."

"Ahn...! Un... Ki...sss.... Because, Tomoko was Etozawa-kun's woman.... I want to... Kiss... Fuwa...n!"

Sensei sticks out her tongue like a dog, and entwines it with mine, she happily drinks my saliva when I give it to her.

I feel there is something wrong with her reaction, so I summoned the remote controller while moving my waist and look at Sensei's Parameter... and I become surprised.

Her Love point was gradually raised.

The numerical value that should have been at 30 point at the start, now already raise to 72, furthermore the numerical value still raising right in front of me as if it was totally linked to the movement of my waist.

Was it because I stick my meat stick inside her that she immediately fall in love with me? Good grief, looks like this natural airheaded teacher was a natural lewd teacher.

"Sensei, did you love me?"

"N... ha... un... Like... I love you so much...."

Her love point has exceed 80 point, and still raising.

"Sensei, did you want me to cum inside? So you can completely become my women."

"Un... Do it.... Make Tomoko.... Etozawa-kun.... Women.... Ahn!"

At last it arrive at 90 point.

My meat stick was at it limit too. I start to move my waist furiously for this last spurt, and sensei start to wiggled crazily under my body.

And at last I reach my limit.

"....Urgh! Cum!! I am cumming!! Sensei!"

"AHnnnnN!! Cum... Tomoko, cummming tooooo!!"

"KHuuu!!!!"

I slam my waist hard to her and push my meat stick deep inside her and my semen was gushing inside her with great momentum.

"Ah... so hot... Tomoko private part... feel so full... Aan..!"

I trembled as I ejaculate inside Sensei.

After I poured my semen inside her, before long my ejaculation was over.

"Fu...ah... an unbelievable amount come out..."

When I look at sensei it seems like she already fainted after she cum. Her body was still twitching even though she already lose her conscious.

Looking at sensei naked body that was lying on the floor, soon... I can see my sperm that flowed backward from inside of her hole.

Uwa... it feel good to cum inside her hole... It feel like I am conquering her.

I feel satisfied since I was able to violate a woman to my heart content.

Next... who should I invite to this room...
